Sorry, I thought this left my inbox sooner.

Here are answers to your questions:

- Provide a service area for the staff analysis.
 - For simplicity, let's call it for this project the Missouri counties of St Louis County.
- Why is the owner and operator not actively registered to do business within Missouri?
 - The hospital is licensed by the state of Missouri as license number 425.
- Will the existing unit be decommissioned or traded in?
 - Decommissioned and carted off for parts
- The Siemens quote is dated 2/11/2020. Provide a new quote.
 - BJC HealthCare uses a two-year capital budgeting process that asks for vendors' best pricing in a competitive winner-take-all scenario. The vendor will honor the quote provided.

Greg,

After review of your application, I have some additional questions.

- Provide a service area for the staff analysis.
- Why is the owner and operator not actively registered to do business within Missouri?
- Will the existing unit be decommissioned or traded in?
- The Siemens quote is dated 2/11/2020. Provide a new quote.

This information is needed by Monday, July 1, 2024.

Sorry about this. It turns out that the project also involves modifications to the shielding. That cost is estimated to be \$150,000.

Greg,

After reviewing additional information for 6114, it appears some additional information is still needed.

- The proposed project budget is \$2,111,042, however the quote states the total cost for MME is \$1,961,042. Please advise.

This information is needed by Wednesday, July 17, 2024.
