Sullivan, MO 63080

Dear Ms. Lochner:

I understand that Missouri Baptist Sullivan Hospital is seeking approval from the Missouri Health Facilities Review Committee to add a DaVinci robot. Please forward my support for this project.

Robotic surgery has been a staple of care in metro areas for over a decade. This project brings this care to Sullivan and our neighbors.

As Mayor, I have had the honor to serve this community for 10 years. It is important to this community to bring this care to our area. Our citizens and I would appreciate your approval of this project.

Sincerely,

A handwritten signature in black ink that reads "Dennis Watz". The signature is written in a cursive style with a large, stylized 'W'.

Dennis Watz, Mayor
City of Sullivan

Ms. Lisa Lochner, President
Missouri Baptist Sullivan Hospital
751 Sappington Bridge Road
Sullivan, Missouri 63080

Dear Ms. Sullivan,

I am writing to express my strong support for Missouri Baptist Sullivan Hospital's proposal to acquire a Da Vinci robot.

Robotic surgery has been a critical part of care in metro areas for over a decade. This project brings the same level of care to Sullivan and the surrounding area, significantly enhancing the level of care accessible to patients.

Approval of this project would not only enhance the quality of care available to the community but also demonstrate Missouri's dedication to advancing healthcare and supporting innovative medical practices in underserved areas.

I wholeheartedly support Missouri Baptist's request to acquire the Da Vinci robot. This investment is critical for improving clinical outcomes and meeting the healthcare need of our community.

Respectfully,

A handwritten signature in cursive script that reads "Mike Henderson".

Sullivan, MO 63080

Dear Ms. Lochner:

I am writing to express my wholehearted support Missouri Baptist Sullivan Hospital is seeking from the Missouri Health Facilities Review Committee.

The addition of a DaVinci robot would bring the same level of care to Sullivan and our surrounding community. Robotic surgery has been a critical part of care in metro areas for over a decade.

It is important to our community to bring this care to our area. The citizens and I would appreciate your approval of this project.

I urge the Committee to recognize the need for this hospital, and to vote in support of this project. Thank you for your time and attention to this matter.

Sincerely,

Senator Ben Brown
