2. By expending funds received under this award, the recipient commits to ensuring that it will carry out the project/program described in its approved state plan(s). Funds must be expended on the approved MIPPA plans; failure to do so will result in the disallowance of expenditures and require the return of all funds spent on inappropriate activities.
3. This grant is subject to the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards under Title 45 CFR Part 75. These requirements and additional terms and conditions can be found on the ACL website: http://www.acl.gov/Funding_Opportunities/Grantee_Info/Terms.aspx.
4. Financial Reports:
 - a. This grant action is issued as a supplemental award to the Fiscal Year 2014 grant and is effective September 30, 2015. The supplemental funds cannot be obligated until September 30, 2015. If there is an unobligated balance at the end of 9/29/2015 (from your FY2014 award), you are required to identify the unobligated amount on line 10.h. of the SF-425 and provide or attach a brief explanation as denoted in "Box 12. Remarks" near the bottom of the SF-425.

- b. A Federal Financial Report (SF-425) is due semi-annually. The report is due 30 days following each six month **reporting period**, effective with the start date of the project period. For each subsequent report, the end date should be extended by six months retaining the original start date. You must reconcile your cash accounts (lines 10a. thru 10c.) with your expenditures for the reporting period and submit a cumulative report each reporting period. A final report is due 90 days after the expiration date of the project period.

Reports must be submitted by email to MIPPA.Grants@acl.hhs.gov and to the ACL project officer identified on this Notice of Award below.

5. Progress Reports:
 - a. Narrative progress reports shall be submitted semi-annually by email to MIPPA.Grants@acl.hhs.gov and to the ACL project officer identified on this Notice of Award. States are to report on the goals, outcomes, key objectives and major tasks/action steps established in their state plan. Standard reporting guidelines are described on the Reporting Requirements page on the ACL website (http://www.acl.gov/Funding_Opportunities/Grantee_Info/Reporting.aspx). A single report shall be submitted for each reporting period and include all MIPPA funding streams received by the grantee.
 - b. Data on the number of LIS and MSP applications assisted with and outreach events completed shall be submitted quarterly using the SHIP National Performance Reporting (NPR) tool. Grantees that are not currently using the SHIP NPR system shall work with ACL to ensure the required data will be submitted as needed. The data reported should include all of the MIPPA funding streams received by the grantee from ACL and encompass the entire reporting period.
6. Products. At any phase of the project period, the recipient shall deliver to the Administration for Community Living (ACL) upon request, any materials, systems or other items developed, refined, or enhanced under the grant award. The recipient agrees that ACL shall have royalty-free, non-exclusive, and irrevocable rights to reproduce, publish, or otherwise use and authorize others to use the items for Federal Government purposes.
7. Publications. On all publications funded solely or in part by MIPPA funds, the recipient shall include the express acknowledgement, "This publication has been created or produced by [the State] with financial assistance, in whole or in part, through funds from the Administration for Community Living". States undertaking projects under government sponsorship are encouraged to express their findings and conclusions. These contents do not necessarily represent the policy of the U.S. Department of Health and Human Services and the grantee should not assume endorsement by the Federal Government."
8. Grantees are hereby given notice that the 48 CFR section 3.908, implementing section 828, entitled "Pilot Program for Enhancement of Contractor Whistleblower Protections," of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2, 2013), applies to this award. The effective date is for all grants and contracts issued on or after July 1, 2013, through January 1, 2017.
9. **United States v. Windsor, 133 S.Ct. 2675 (June 26, 2013); section 3 of the Defense of Marriage Act, codified at 1 USC § 7.** All grantees are expected to recognize any same-sex marriage legally entered into in a U.S. jurisdiction that recognizes their marriage, including one of the 50 states, the District of Columbia, or a U.S. territory, or in a foreign country so long as that marriage would also be recognized by a U.S. jurisdiction. This applies regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. However, this does not apply to registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. Accordingly, recipients must review and revise, as needed, any policies and procedures which interpret or apply Federal statutory or regulatory references to such terms as "marriage," "spouse," "family," "household member" or similar references to familial relationships to reflect inclusion of same-sex spouse and marriages. Any similar familial terminology references in HHS statutes, regulations, or policy transmittals will be interpreted to include same-sex spouses and marriages legally entered into as described herein.
