REMARKS

New Awards FY17

1. This Notice of Award (NoA) is issued to inform your organization that the application submitted through the funding opportunity **SP-17-005** has been selected for funding. *This award has a special condition to revise the budget submitted by your organization on July 31, 2017 as part of the application.*
2. Recipients are expected to plan their work to ensure that funds are expended within the 12-month budget period reflected on this Notice of Award. If activities proposed in the approved budget cannot be completed within the current budget period, SAMSHA cannot guarantee the approval of any request for carryover of remaining unobligated funding.
3. Register Program Director/Project Director (PD) in eRA Commons:
If you have not already done so, you must register the PD listed on the HHS Checklist in eRA Commons to assign a Commons ID. Once the PD has received their Commons ID, please send this information to your Grants Management Specialist. You can find additional information about the eRA Commons registration process at https://era.nih.gov/reg_accounts/register_commons.cfm.

Key Staff

Key staff (or key staff positions, if staff has not been selected) are listed below:

Terry Ellsworth, interim Project Director @ 10% level of effort, in-kind

Claire Wood, Lead Evaluator @ 40% level of effort

Any changes in key staff including level of effort involving separation from the project for more than three months or a 25 percent reduction in time dedicated to the project, requires prior approval. Reference the Prior Approval Standard Term for additional information and instructions.

SPECIAL TERMS

Disparity Impact Statement (DIS)

By **November 30, 2017** you must:

Submit an electronic copy of a DIS to the Government Project Officer (GPO) and Grants Management Specialist (GMS) as identified under Contacts on this notice of award.

The DIS should be consistent with information in your application regarding access, *service use and outcomes for the program and include three components as described below. Questions about the DIS should be directed to your GPO. Examples of DIS can be found on the SAMHSA website at <https://www.samhsa.gov/grants/grants-management/disparity-impact-statement>.

*Service use is inclusive of treatment services, prevention services as well as outreach, engagement, training, and/or technical assistance activities.

The disparity impact statement, in response to the Special Term of Award, consists of three components:

1. Proposed number of individuals to be served and/or reached by subpopulations in the grant implementation area should be provided in a table that covers the entire grant period. The disparate population(s) should be identified in a narrative that includes a description of the population and rationale for how the determination was made.
2. A quality improvement plan for how you will use your program (GPRA) data on access, use and outcomes to monitor and manage program outcomes by race, ethnicity and LGBT status, when possible. The quality improvement plan should include strategies for how processes and/or programmatic adjustments will support efforts to reduce disparities for the identified sub-populations.
3. The quality improvement plan should include methods for the development and implementation of policies and procedures to ensure adherence to the Enhanced Culturally and Linguistically Appropriate Services (CLAS) Standards and the provision of effective care and services that are responsive to:
 - a. Diverse cultural health beliefs and practices;
 - b. Preferred languages; and
 - c. Health literacy and other communication needs of all sub-populations within the proposed geographic region.

SPECIAL CONDITIONS

Participant Protection

The Missouri State Department of Health and Senior Services, Missouri Overdose Rescue and Education (MORE) Project was cited by the Initial Review Committee (IRG) to provide additional documentation to adequately fulfill SAMHSA participant protection guidelines.

On or before October 31, 2017, you must submit your written response and supporting

documentation regarding the Participant Protection concerns raised by our Initial Review Group (IRG) referencing the following:

Confidentiality and Participant Protection

The Committee reviewed the applicant organization's plans for ensuring confidentiality and SAMHSA participant protection and expressed a concern about the inadequacy of the discussion of privacy and confidentiality. The applicant organization does not identify or address the risks to the person administering Naloxone. It only does so with the training.

As noted, you must provide a written response as well as any clarification or additional information requested by our Participant Protection Officer. To ensure that you understand your obligations, you are asked to read (42 C.F.R. Part 2 and 2.32) and indicate that you understand and will comply with all of its provisions.

All grant funds are available for this project except for those funds directly related to Participant Protection issues as outlined in the FOA. Currently, only activities that do not directly involve Participant Protection issues (i.e., are clearly severable and independent from those activities that do involve Participant Protection issues) may be conducted under this award. This restriction of funds will only be lifted if the Participant Protection issues are appropriately addressed by the recipient and resolved to the satisfaction of your designated Government Project Officer.

Revised Budget

By October 31, 2017, submit to the Program Official and Grants Management Specialist a revised budget addressing the following:

1. Contract
 - MO Institute of Mental Health - \$160,000: Include an estimated cost breakdown for the proposed amount or describe the basis used to determine this amount.
2. Indirect Costs
 - IDC rate agreement: Submit a copy of the current negotiated indirect cost rate agreement.
