HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Condition(s)

1. Due Date: Within 30 Days of Award Issue Date

-A detailed budget justification narrative with an accompanying SF424RR is required for all 4 budget years.

-A budget justification narrative description of all matching funds proposed, with an accompanying line-item budget for all 4 years. A 40 percent match of non-federal funds is required. Matching funds must be clearly justified and relate directly to project activities. Please clarify/itemize and provide in detail the specific deliverables to be received for all 4 years that support the costs, goals, and objectives of the match amounts proposed.

-The budget justification narrative for the federal and the match budget must detail the costs of each line item within each object class category. For the Personnel line item, you must include the following for each employee supported by funds from this award: name of employee; base salary; % FTE on the grant; and amount of Federal funds

(wages and % of fringe benefits) to be paid for the budget year. This personnel information requirement also applies to subawards/subcontracts supported by Federal funds

from this grant (including any personnel providing in-kind services to provide a correlation between the annual salary and FTE % so that an in-kind

value that supports the grant can be determined. Consultant/Contractors cost request should provide 1) Name of Contractor/Consultant, 2) Method of Selection,

3) Period of Performance, 4) Scope of Work Activities in work plan objectives, 5) Method of Accountability.

Specifics:

-Base salary amounts should appear in the budget justification narrative in the same manner as reflected in the supporting SF-424RR budget form.

-Provide more details regarding the 8 workshops to be attended in years 1-4.

-Other Direct Costs (Non-Federal): Salary for hygienist, or number of hours is miscalculated (i.e. \$90.00 X 75 hrs. = \$6,750 instead of \$2,250).

-Provide an itemized list of the Tele-Dentistry equipment being purchased in years 1-4,

-Development time cost for workshop planning is miscalculated for years 1-4 non-federal. (e.g. Year 1- \$90.00 x 40 hrs. = \$3,600 in lieu of \$4,000) (page 6).

-SF424-RR for Years 1-4 included the non-federal match in the calculation of the Total Direct and Indirect Institutional Costs total.

(i.e. \$361,359.00-\$145,335 non-federal match=\$216,024 federal funds, as requested in budget justification narrative. Please remove non-federal match funds from this total in the SF-424RR for all years. Year 4 is reflecting a total over the ceiling amount due to the inclusion of the non-federal match being included in the Total Direct and Indirect Costs total

(i.e. \$404,649.00-\$188,625.00=\$216,024.00 federal funds, as requested in the budget justification narrative). Please correct.

Grant Specific Term(s)

- As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of Public Law 110-252, recipients must report information for each subaward of \$25,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at www.fsrs.gov by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and

cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <http://www.hrsa.gov/grants/ffata.html>.

2. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>
3. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds. You may use your existing PMS username and password to check your organizations P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: http://www.dpm.psc.gov/grant_recipient/grantee_forms.aspx and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <http://www.dpm.psc.gov/contacts/contacts.aspx>.
4. Effective December 26, 2014, all references to OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR 200 as codified by HHS at 45 CFR 75.

Program Specific Term(s)

1. Matching Requirement: An entity that receives a grant under this program must contribute non-Federal funds to activities carried out under this grant to an amount equal to at least 40 percent of the federal funding support of the project. Matching funds may be a combination of in-kind contributions, fairly valued, and any other funding from State, local, community, or other organization sources.

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.
3. "This [project/publication/program/website] [is/was] supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$XX with xx percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government."
Recipients are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA-supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. Examples of HRSA-supported publications include, but are not limited to, manuals, toolkits, resource guides, case studies and issues briefs.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or item ...For which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75 must be submitted as a Prior Approval action via Electronic Handbooks (EHBs). Only responses to prior approval requests signed by the GMO are considered

valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.

In addition to the prior approval requirements identified in Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is \$200,000, if the total approved budget is \$300,000, cumulative changes within that budget period exceeding \$75,000 would require prior approval). For recipients subject to 45 CFR Part 75, this requirement is in lieu of that in 45 CFR 75 which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding \$25,000 (if not included in the approved application) or other prior approval action identified in Part 75 unless HRSA has specifically exempted the grantee from the requirement(s).]

6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at www.DPM.PSC.GOV.

8. Submit audits, if required, in accordance with 45 CFR Part 75, to: Federal Audit Clearinghouse Bureau of the Census 1201 East 10th Street Jefferson, IN 47132 PHONE: (310) 457-1551, (800) 253-0696 toll free <https://harvester.census.gov/facweb/default.aspx/>.
9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at <http://www.hhs.gov/ocr/lep/revisedlep.html>.
10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to <http://www.hrsa.gov/grants/trafficking.htm>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
11. The Consolidated Appropriations Act, 2017, Division H, § 202, (P.L.115-31) enacted May 5, 2017, limits the salary amount that may be awarded and charged to HRSA grants and cooperative agreements to the Federal Executive Pay Scale Level II rate set at \$189,600, effective January, 2018. This amount reflects an individual's base salary exclusive of fringe benefits. An individual's institutional base salary is the annual compensation that the recipient organization pays an individual and excludes any income an individual may be permitted to earn outside the applicant organization duties. HRSA funds may not be used to pay a salary in excess of this rate. This salary limitation also applies to sub-recipients under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with recipient's institutional policy. None of the awarded funds may be used to pay an individual's salary at a rate in excess of the salary limitation. Note: an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements.
12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/civil-rights/for-individuals/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 75). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/index.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov>. It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity

has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.

14. In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. This term applies to all grant programs except block grants governed by 45 CFR part 96 or 45 CFR Part 98, or grant awards made under titles IV-A, XIX, and XXI of the Social Security Act; and grant programs with approved deviations.

15. **§75.113 Mandatory disclosures.**

Consistent with 45 CFR 75.113, applicants and non-federal entities must disclose, in a timely manner, in writing to the HHS awarding agency, with a copy to the HHS Office of Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Sub recipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Disclosures must be sent in writing to the awarding agency and to the HHS OIG at the following address:

Department of Health and Human Services
