Catalog of Federal Domestic Assistance (CFDA) Program No. 93.092

APPLICABLE LEGISLATION, STATUTE, REGULATIONS

1. The administration of this program is authorized under Title V, Section 513, of the Social Security Act.
2. The program is codified at 42 U.S.C. §713.
3. The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards is located under 45 CFR Part 75. In accordance with 45 CFR §75.101 Applicability, this program must comply with 45 CFR Part 75 in its entirety. No exceptions were identified.
4. Additional applicable regulations and requirements can be found in the General Terms and Conditions for Mandatory: Formula, Block and Entitlement Grants.

COST SHARING OR MATCHING (NON-FEDERAL SHARE) OF PROGRAM FUNDING

5. This program has a Maintenance of Effort (MOE) requirement per Public Law 111-148 and Title V, Section 513(a)(5), of the Social Security Act. No payment shall be made to a State from the allotment determined for the State under this subsection or to a local organization or entity awarded a grant under 513(a)(4), if the expenditure of non-federal funds by the State, organization, or entity for activities, programs, or initiatives for which amounts from allotments and grants under this subsection may be expended is less than the amount expended by the State, organization, or entity for such programs or initiatives for fiscal year 2023 (or the fiscal year amended by subsequent Public Laws).
6. MOE is a statutory requirement where the State, local organization, or entities awarded under this grant is required, as a condition of eligibility for federal funding, to maintain its financial contribution to the program. MOE must be used to supplement not supplant federal funds with existing non-federal funds. State, local organizations or entities under this grant may not replace or supplant federal funds to meet program requirements.

FINANCIAL REPORTING

7. Federal funds awarded under this grant must be expended for the purposes which they were awarded and within the time period allotted.
8. The OMB approved Financial Reporting form for this program is the Financial Federal Report SF-425. The SF-425 is due annually and no later than December 30, which is 90 days after the end of each project period.
9. Funding (project) period and obligation period. In accordance with Title V, Section 513 of the Act, this program has a 3-year project/obligation period starting the first day of the Federal Fiscal Year, October 1, for which funds were awarded and ending the last day of the second following Federal Fiscal Year, September 30. Any Federal funds not obligated by the end of the respective obligation period will be recouped by this Department.
10. Liquidation period. In accordance with 45 CFR §75.309(b), all obligated Federal funds awarded under this grant must be liquidated no later than 90 days after the end of the funding/obligation period. Any Federal funds not liquidated by December 30 will be recouped by this Department.
11. Submission Methodology: All periodic SF-425 financial reports for all grant programs must be submitted electronically through the Payment Management System (PMS). Recipients must not submit duplicate copies either by mail, by fax or as an email attachment of any reports submitted.
12. Submission Schedule: Annual. Each annual financial report must be submitted within 90 days (i.e., no later than December 30) following the end of each Federal Fiscal Year.
 - a. An interim financial report (covering Year 1 of the project period) is due 90 days following the end of Federal Fiscal Year 1;
 - b. An interim financial report (covering Year 2 of the project period) is due 90 days following the end of Federal Fiscal Year 2;

- b. A final financial report (cumulative, covering the entire 3-year project period) is due 90 days following the end of Federal Fiscal Year 3.

PROGRAM REPORTING

The OMB approved Program Report form for this program is Performance Progress Report (PPR). Semi-annual narrative program performance reports must describe the program activities carried out, including an assessment of the effectiveness of those activities in achieving the purposes of this grant. Each report covers the preceding 6-month period and is due 30 days following the end of the 2nd and 4th quarters (i.e., no later than April 30 and October 30, respectively). Electronic online program management report submission through Grantsolutions/OLDC is required.

All recipients and subrecipient(s), including their implementation sites, will be required to collect and report information on program implementation and program outcomes through a common set of performance measures. This requirement applies to any community partners who agree to host a site or recruit program participants (e.g., school districts, non-profits). Recipients must collect and report on these measures approximately twice a year.

Recipients will be expected to check local and state laws, policies, and procedures to ensure that the collection of performance measures data is feasible and obtain any necessary permissions (e.g., formal agreements with partners, Institutional Review Board (IRB) approval, copies of school district approvals) to collect these data. Recipients are responsible for ensuring all subrecipients and implementation sites collect and submit the PREP performance measures. Recipients may develop additional indicators of program performance, as needed, including adding items to the entry or exit surveys. However, all FYSB OMB-approved items must be administered first, in the order presented in the approved survey, before any additional items are added. Any additional survey items should be added at the end of the OMB-approved survey and should not be submitted to ACF.

REAL PROPERTY AND TANGIBLE PERSONAL PROPERTY REPORTING

1. The OMB approved Real Property and Tangible Personal Property Reporting is the following:

- a. Real Property Reports (SF-429s). The SF-429 Real Property forms are not applicable to this program. Purchase, construction, and renovation are not an allowable activity or expenditure under this grant.
- b. Tangible Property Report (SF-428s). The SF-428 Tangible Personal Property forms must be submitted as described in the General Terms and Conditions.
