REMARKS

Due to system limitations, box 33 “Approved Budget” shows the total dollar amount approved for this award. No line item budget breakout will be included in the NOA. The budget narrative submitted with the approved state plan is considered the Approved Budget for this award.

FY 2024 Standard Administrative Terms for ACL Mandatory/Formula Awards

Department of Health and Human Services (HHS) grant recipients must comply with all terms and conditions outlined in their grant awards, and requirements imposed by program statutes and regulations, executive orders, and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.

[45 CFR Part 75—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards](#)

SAM.gov / UEI Requirement

Effective April 4, 2022, HHS has transitioned from the use of the DUNS Number to the Unique Entity Identifier (UEI) as the primary means of entity identification for Federal awards government-wide. HHS requires all entities that plan to apply for and ultimately receive federal grant funds from any HHS Operating/Staff Division (OPDIV/STAFFDIV) or receive subawards directly from the recipients of those grant funds to:

1. Register in SAM.gov prior to submitting an application or plan.
2. Maintain an active SAM.gov registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
3. Provide its UEI number in each application or plan to submit to the OPDIV.

Please visit [SAM.gov](#) for the details including an instructional video and FAQs on registration.

Further Consolidated Appropriations Act, 2024, Public Law 118-47

Salary Limitation

The General Provisions in the Further Consolidated Appropriations Act, 2024 (Public Law 118-47), signed into law on March 23, 2024, includes provisions for a salary rate limitation. The law limits the salary amount that may be awarded and charged to ACL grants and cooperative agreements. Award funds may not be used to pay the salary of an individual at a rate in excess of Executive Level II. This amount reflects an individual’s base salary exclusive of fringe and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under an ACL grant or cooperative agreement. Note that these or other salary limitations will apply in FFY 2024, as required by law.

Gun Control (Section 210)

“None of the funds made available in this title may be used, in whole or in part, to advocate or promote gun control.”

Restriction on Distribution of Sterile Needles (Section 526)

"Notwithstanding any other provision of this Act, no funds appropriated in this Act shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug: Provided, That such limitation does not apply to the use of funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law."

Lobbying Restriction

Per [45 CFR 75.215](#), Recipients are subject to the restrictions on lobbying as set forth in [45 CFR part 93](#). 45 CFR 93.100 (a) states that "No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement."

In addition to the above, the Further Consolidated Appropriations Act, 2024, Public Law 118-47, none of the funds made available in this act may be used to lobby for or against abortion.
