HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. This notice of award extends the project period (also known as the period of performance) until March 31, 2022. The period of performance is April 1, 2017 through March 31, 2022, and it is composed of five 12-month budget periods. Funding in subsequent budget periods is conditioned on continued eligibility for certain components of RWHAP Part B funding as well as timely submission and HRSA approval of the Progress Report(s) and any other required submissions. Funding beyond the one-year budget period but within the multi-year period of performance is also subject to availability of funds, satisfactory recipient progress, and a determination that continued funding would be in the best interest of the Federal Government.

All prior terms and conditions remain in effect unless specifically removed.
