STANDARD TERMS AND CONDITIONS

Standard Terms for Awards

Your organization must comply with the Standard Terms and Conditions for the Fiscal Year in which your grant was awarded. The Fiscal Year for your award is identified on your Notice of Award. SAMHSA's Terms and Conditions Webpage is located at: <https://www.samhsa.gov/grants/grants-management/notice-award-noa/standard-terms-conditions>.

Standards for Financial Management

Recipients and subrecipients are required to meet the standards and requirements for financial management systems set forth in 45 CFR part 75 Subpart D. The financial systems must enable the recipient and subrecipient to maintain records that adequately identify the sources of funds for federally assisted activities and the purposes for which the award was used, including authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and any program income. The system must also enable the recipient and subrecipient to compare actual expenditures or outlays with the approved budget for the award. SAMHSA funds must retain their specific identity – they may not be commingled with non-federal funds or other federal funds. “Commingling funds” typically means depositing or recording funds in a general account without the ability to identify each specific source of funds with related expenditures.

Reasonable Costs for consideration

Recipients must exercise proper stewardship over Federal funds and ensure that costs charged to awards are allowable, allocable, reasonable, necessary, and consistently applied regardless of the source of funds according to “Reasonable Costs” consideration per 2 CFR § 200.404 and the “Factors affecting allowability of costs” per 2 CFR § 200.403. A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.

Consistent Treatment of Costs

Recipients must treat costs consistently across all federal and non-federal grants, projects and cost centers. Recipients may not direct-charge federal grants for costs typically considered indirect in nature, unless done consistently. If part of the indirect cost rate, then it may not also be charged as a direct cost. Examples of indirect costs include (administrative salaries, rent, accounting fees, utilities, office supplies, etc.). If typical indirect cost categories are included in the budget as direct costs, it is SAMHSA’s understanding that your organization has developed a cost accounting system adequate to justify the direct charges and to avoid an unfair allocation of these costs to the federal government. Also, note that all awards are subject to later review in accordance with the requirements of [45 CFR 75.364](#), [45 CFR 75.371](#), [45 CFR 75.386](#) and [45 CFR Part 75, Subpart F](#), Audit Requirements.

Compliance with Award Terms and Conditions

FAILURE TO COMPLY WITH THE ABOVE STATED TERMS AND CONDITIONS MAY RESULT IN ACTIONS IN ACCORDANCE WITH [45 CFR 75.371](#), REMEDIES FOR NON-COMPLIANCE AND [45 CFR 75.372](#) TERMINATION. THIS MAY INCLUDE WITHHOLDING PAYMENT, DISALLOWANCE OF COSTS, SUSPENSION AND DEBARMENT, TERMINATION OF THIS AWARD, OR DENIAL OF FUTURE FUNDING.

All previous terms and conditions remain in effect until specifically approved and removed by the Grants Management Officer.

Annual Programmatic Progress Report

By **12/28/2024**, submit via eRA Commons.

The Programmatic Report is required on an annual basis and must be submitted as a .pdf to the View Terms Tracking Details page in the eRA Commons System no later than 90 days after the end of each 12-month budget period.

The Annual Programmatic Report must, at a minimum, include the following information:

- Data and progress for performance measures as reflected in your application regarding goals and evaluation activities.
- A summary of key program accomplishments to-date.
- Description of the changes, if any, that were made to the project that differ from the application for this budget period.
- Description of any difficulties and/or problems encountered in achieving planned goals and objectives including barriers to accomplishing program objectives, and actions to

overcome barriers or difficulties.

Note: Recipients must also comply with the GPRA requirements that include the collection and periodic reporting of performance data as specified in the FOA or by the Grant Program Official (GPO). This information is needed in order to comply with PL 102-62, which requires that Substance Abuse and Mental Health Services Administration (SAMHSA) report evaluation data to ensure the effectiveness and efficiency of its programs.

The response to this term must be submitted as .pdf documents in eRA Commons. Please contact your Government Program Official (GPO) for program specific submission information.

For more information on how to respond to tracked terms and conditions please refer to <https://www.samhsa.gov/grants/grants-training-materials> under heading **How to Respond to Terms and Conditions**.

Additional information on reporting requirements is available at <https://www.samhsa.gov/grants/grants-management/reporting-requirements>.

Annual Federal Financial Report (FFR or SF-425)

All financial reporting for recipients of Health and Human Services (HHS) grants and cooperative agreements has been consolidated through a single point of entry, which has been identified as the Payment Management System (PMS). The Federal Financial Report (FFR or SF-425) initiative ensures all financial data is reported consistently through one source; shares reconciled financial data to the HHS grants management systems; assists with the timely financial monitoring and grant closeout; and reduces expired award payments. The FFR is required on an annual basis no later than 90 days after the end of each Budget Period. The FFR should reflect cumulative amounts. Additional guidance to complete the FFR can be found at <http://www.samhsa.gov/grants/grants-management/reporting-requirements>.

SAMHSA reserves the right to request more frequent submissions of FFRs. If so, the additional submission dates will be shown below.

Your organization is required to submit an FFR for this grant funding as follows:

- **By 12/28/2024**, submit the Federal Financial Report (FFR)/(SF-425).
- The grant recipient staff member(s) responsible for FFR preparation, certification and submission of the FFR must either submit a request for New User Access or Update User Access to the FFR Module as applicable. Refer to the PMS User Access website <https://pms.psc.gov/grant-recipients/user-access.html> for information on how to submit a New User Access, Update User Access or Deactivate User Access. You can also view PMS' Video on how to request new user access @ <https://youtu.be/kdoqaXfiuI0> and PDF resource with instructions on Requesting Access @ https://pms.psc.gov/forms/New-User-Request_Granttee.pdf
- Instructions on **how to submit a FFR via PMS** are available at <https://pmsapp.psc.gov/pms/app/help/ffr/ffr-grantee-instructions.html> (The user must be logged in to PMS to access the link). Updates to the FFR instructions effective 4/1/2022 are also available @ <https://pms.psc.gov/grant-recipients/ffr-updates.html>
- While recipients must submit the FFR in PMS, the FFR can also be accessed by connecting seamlessly from the eRA Commons to PMS by clicking the "Manage FFR" link on the

“Search for Federal Financial Report (FFR)” page in eRA Commons, which will redirect to PMS. SAMHSA will not accept FFRs submitted by email or uploaded as an attachment into eRA. To access the “Manage FFR” link in eRA Commons, the individual must be registered in eRA Commons and assigned the Financial Status Reporter (FSR) role for their organization. The individual assigned the FSR role is responsible for reporting the statement of grant expenditures for their organization. Refer to the [Managing User Accounts: Add or Remove Roles, Unaffiliate Account](#) document for instructions on how to assign a the FSR role.

If you have questions about how to set up a PMS account for your organization, please contact the PMS Help Desk at PMSSupport@psc.hhs.gov or 1-877-614-5533.

Note: Recipients will use PMS to report all financial expenditures, as well as to drawdown funds; SAMHSA recipients will continue to use the eRA Commons for all other grant-related matters including submitting progress reports, requesting post-award amendments, and accessing grant documents such as the Notice of Award.
