1. Terms and Conditions - MO

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number DP20-2001, entitled National and State Tobacco Control Program, and application dated January 31, 2024, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NOA).

Total Approved Funding is included in Summary Federal Award Financial Information on page 1 of the NOA. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third-party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Approved Component Funding: The NOFO provides for the funding of multiple components under this award. For this NOA, the approved funding level for each component is shown below:

NOFO Component	Amount
Component I	\$1,560,000
Component II	\$389,182

Financial Assistance Mechanism: Cooperative Agreement

Technical Review: Within 5 days of this Notice of Award's (NOA) issue date, the Technical Review will be accessible to the recipient in GrantSolutions Grant Notes. Contact the assigned Program Officer indicated in the NOA with any questions regarding this document or any follow up requirements and timelines set forth therein.

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities as detailed in the NOFO and included below.

- Providing technical assistance to revise annual work plans.
- Assisting in advancing program activities to achieve project outcomes.
- Providing scientific subject matter expertise and resources.
- Collaborating with recipients to develop evaluation plans that align with CDC evaluation

activities.

- Providing technical assistance on recipient's evaluation and performance measurement plan.
- Providing ongoing training, technical assistance, and consultation on policy, systems, and environmental strategies and activities for tobacco control, including tobacco use and dependence treatment strategies and activities.
- Providing up-to-date information that includes dissemination of best practices for tobacco prevention and control.
- Informing and educating recipients and other partners about evidence-based policy, systems, and environmental strategies and activities for tobacco control through workshops, conferences, training, electronic and verbal communication, including the National Conference on Tobacco or Health.
- Identifying, developing, and disseminating education media campaign materials for use by programs; facilitating coordination of education media ads between programs; providing technical assistance on design, implementation, and evaluation of media.
- Providing monthly National Tobacco Control Program, Media Network, and periodic Evaluation Technical Assistance webinars to provide updates from subject matter experts about relevant tobacco-related topics and issues.
- Maintaining electronic mechanisms for information sharing, program planning, and progress reporting.
- Developing and maintaining partnerships with federal and non-federal organizations to assist in tobacco control and maintain a national infrastructure that complements the state infrastructure.
- Serving as a resource to recipients in identifying and eliminating tobacco-related disparities among population groups.
- Maintaining a website with access to a data warehouse containing comparable measures of tobacco use and dependence prevention and control from different data sources.
- Helping identify gaps in the evidence-base of tobacco control and prioritizing efforts to fill those gaps; providing training and technical assistance on publications and opportunities for dissemination of program evaluation findings.
- Serving as a convener and resource for the continued expansion of the evidence-base of tobacco control.
- Providing technical assistance, as requested, for developing impact statements and publishing selected statements on the CDC/OSH website as appropriate.
- Providing technical assistance, as requested, on the submission of data to the National Quitline Data Warehouse (NQDW).
- Facilitating development of the evidence base especially in areas of innovative strategies in reaching populations disproportionately impacted by tobacco use and dependence and associated disease, disability, and death through tobacco use and dependence treatment initiatives.
- Collecting and analyzing data that can be used to monitor and evaluate tobacco use and dependence treatment initiatives.
- Disseminating the Weekly Dose newsletter containing pertinent information regarding tobacco-related topics and NOFO-related information.
- Providing access to CDC's Office on Smoking and Health Media Campaign Resource Center.
- Collaborating with the Food and Drug Administration to provide information related to regulatory action.
- Providing data visualization training and technical assistance.

- Providing a Tobacco Control Network, Communities of Practice, and tailored webinars that include lessons learned from peers, and opportunities for tailored technical assistance and sustainability planning.
- Providing 12-month on-boarding support for new tobacco control program managers.
- Providing leadership development through the OSH Leadership and Sustainability School for program managers.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of carried over unobligated funds in Section 12 "Remarks" of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient's authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Costs:

Indirect costs are approved based on the negotiated indirect cost rate agreement dated March, 3, 2023, which calculates indirect costs as follows, a Fixed is approved at a rate of 20.8% of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from 07/01/2023 - 06/30/2024.

Missing Contractual Elements - The TBD contractor cost noted in the budget narrative are not approved and the recipient may not begin the contract until the six elements in accordance with the CDC Budget Preparation Guidance, are provided via GrantSolutions as a Notice of Contractor Amendment and GMO approval is provided via Notice of Award.

- Training and Technical Assistance (\$120,000)
- Media/Marketing Agency (\$198,535)
