1. Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-DP-23-0004, entitled The National Cardiovascular Health Program, and application dated March 4, 2024, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NOA).

Total Approved Funding is included in Summary Federal Award Financial Information on page 1 of the NOA. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third-party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Financial Assistance Mechanism: Cooperative Agreement

Technical Review: Within 5 days of this Notice of Award's (NOA) issue date, the Summary Statement/Technical Review will be accessible to the recipient in GrantSolutions Grant Notes. Contact the assigned Program Officer indicated in the NOA with any questions regarding this document or any follow up requirements and timelines set forth therein.

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities as detailed in the NOFO and included below.

CDC will be substantially involved beyond site visits and regular performance and financial monitoring during the period of performance. Substantial involvement means that the recipient can expect federal programmatic partnership in carrying out efforts under the award. CDC will work in partnership with the recipient to ensure the success of the cooperative agreement by:

- Supporting recipients in implementing cooperative agreement requirements and meeting program outcomes.
- Assisting recipients in advancing program activities to achieve project outcomes.
- Providing scientific subject matter expertise and resources in support of the required strategies.
- Collaborating with recipients to develop and implement evaluation plans that align with CDC evaluation activities.
- Providing technical assistance on recipients' evaluation and performance measurement plans.
- Providing technical assistance to define and operationalize performance measures and reports.

- Providing technical assistance to define and operationalize performance measures and reports.
- Engaging in and facilitating varied means of communication and peer sharing opportunities among recipients and with CDC to communicate and share tools and resources.
- Establishing learning opportunities to facilitate the sharing of information among recipients.
- Providing professional development and training opportunities – either in person or through virtual, web-based training formats – for the purpose of sharing the latest science, best practices, success stories, and program models.
- Participating in relevant meetings, committees, conference calls, and working groups related to the cooperative agreement requirements to achieve outcomes.
- Coordinating communication and program links with other CDC programs and federal agencies, such as the Health Resources and Services Administration (HRSA), Centers for Medicare & Medicaid Services (CMS), Indian Health Service (IHS), and the National Institutes of Health (NIH), as appropriate.
- Providing surveillance technical assistance and state-specific data collected by CDC.
- Translating and disseminating lessons learned through publications, meetings, and other means on promising and best practices to expand the evidence base.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- ☒ Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of carried over unobligated funds in Section 12 “Remarks” of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient’s authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Costs:

Indirect costs are approved based on the negotiated indirect cost rate agreement dated March 3, 2023, which calculates indirect costs as follows, a Final is approved at a rate of 20.80% of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from July 1, 2024 to June 30, 2026.

PAYMENT INFORMATION

Payment Management System Subaccount: Funds awarded in support of approved activities have been obligated in a subaccount in the PMS, herein identified as the “P Account”. Funds must be used in support of approved activities in the NOFO and the approved application.
