1. Terms and Conditions
TERMS AND CONDITIONS OF AWARD

**Carryover:** The purpose of this amended Notice of Award is to approve carryover of unobligated funds in the amount of $198,363 from budget period 04 to budget period 05. This is in response to a request submitted by your organization dated March 26, 2019. These funds have been distributed as indicated in the approved budget of this Notice of Award.

Unobligated funds in the amount of $198,363 have been applied to this award. Please note that if the actual amount of available unobligated funds is less than the amount used in this action, the total approved budget may be reduced by the difference in a subsequent award action, thus reducing the amount of the current award.

These funds are approved for the current year budget period only with no commitment for continued support in future budget periods.

**Stewardship:** The recipient must exercise proper stewardship over Federal funds by ensuring that all costs charged to your cooperative agreement are allowable, allocable, and reasonable and that they address the highest priority needs as they relate to this program.

All the other terms and conditions issued with the original award remain in effect throughout the budget period unless otherwise changed, in writing, by the Grants Management Officer.
