ADDITIONAL TERMS AND CONDITIONS OF AWARD

No Cost Extension: The purpose of this amendment is to approve a 24 month No Cost Extension per the request submitted by your organization dated September 20, 2023 . The budget and project period end dates have been extended from August 1, 2024 to July 31, 2026.

Annual Federal Financial Report (FFR SF-425): Annual financial reporting is required every twelve-month period. Due to the approved extension period, the final budget period has been extended and an additional annual financial report will be required. A completed FFR SF-425 covering the original final budget period of August 1, 2023 to July 31, 2026 must be submitted by October 31, 2026.

Recipients must submit all closeout reports identified in this section within 90 days of the period of performance end date. The reporting timeframe is the full period of performance. Failure to submit timely and accurate final reports may affect future funding to the organization or awards under the direction of the same Project Director/Principal Investigator (PD/PI).

Final Performance Progress and Evaluation Report (PPER): This report should include the information specified in the NOFO. At a minimum, the report will include the following:

- Statement of progress made toward the achievement of originally stated aims.
- Description of results (positive or negative) considered significant.
- List of publications resulting from the project, with plans, if any, for further publication.

All manuscripts published as a result of the work supported in part or whole by the cooperative grant must be submitted with the performance progress reports.

Final Federal Financial Report (FFR, SF-425): The FFR should only include those funds authorized and actually expended during the timeframe covered by the report. The Final FFR, SF-425 is required and must be submitted no later than 90 days after the period of performance end date.

The final report must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. Should the amount not match with the final expenditures reported to the Department of Health and Human Services' PMS, you will be required to update your reports to PMS accordingly. Remaining unobligated funds will be de-obligated and returned to the U.S. Treasury.

Electronic versions of the FFR SF-425 can be downloaded at:

<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1>

Equipment and Supplies - Tangible Personal Property Report (SF-428): A completed Tangible Personal Property Report SF-428 and Final Report SF-428B addendum must be submitted, along with any Supplemental Sheet SF-428S detailing all major equipment acquired or furnished under this project with a unit acquisition cost of \$5,000 or more. Electronic versions of the forms can be downloaded by visiting: <https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1>

If no equipment was acquired under an award, a negative report is required.

The recipient must identify each item of equipment that it wishes to retain for continued use in

accordance with 45 CFR Part 75. The awarding agency may exercise its rights to require the transfer of equipment purchased under the assistance award. CDC will notify the recipient if transfer to title will be required and provide disposition instruction on all major equipment.

Equipment with a unit acquisition cost of less than \$5,000 that is no longer to be used in projects or programs currently or previously sponsored by the Federal Government may be retained, sold, or otherwise disposed of, with no further obligation to the Federal Government.
