1. Order of Precedence

In the event of any inconsistency between the terms and conditions of this Notice of Award and other requirements, the following order of precedence shall apply:

- I. The Older Americans Act of 1965, as amended through later laws, including the Older Americans Act Reauthorization Act of 2016, Public Law 114-144, enacted April 19, 2016;
- II. Other applicable Federal statutes.
- III. The Consolidated Appropriations Act, 2018 (Pub.L.115-141)
- IV. Implementing Regulations.
- V. Executive Orders.
- VI. OMB Circulars, including the Uniform Guidance at 2 CFR 200 and 2900.
- VII. DOL-ETA Directives.
- VIII. Terms and conditions of this award.

a. Discretionary awards

Funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. These obligations and costs may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

2. Training and Guidance Letter (TEGL) 17-17

The TEGL 17-17 https://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=8825 is hereby incorporated into this Notice of Award. Recipients are bound by the authorizations, restrictions, and requirements contained in the TEGL. Expenditure of grant funds certifies that your organization has read and will comply with all parts of the Notice of Award.

3. Federal Project Officer

The DOL/ETA Federal Project Officer (FPO) for this award is:

Name: **See page one of MOD 0 NOA**

Telephone: **See page one of MOD 0 NOA**

E-mail: **See page one of MOD 0 NOA**

The FPO is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification process.

4. Approved Statement of Work

This project's narrative is considered as the Approved Statement of Work. It has been included as Attachment D. If there is any inconsistency between items specified in the project narrative and the program statute, appropriation, regulations, Executive Orders, Uniform Guidance, OMB Circulars, and DOL-ETA directives, the order of precedence will prevail.

5. Indirect Cost Rate and Cost Allocation Plan

___ A. A **current** Federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or current Federally approved Cost Allocation Plan (CAP) has been provided – copy attached.

For a NICRA only:

(1) Indirect Rate approved: %

(2) Type of Indirect Cost Rate: _____ (i.e. Provisional/Predetermined/Fixed)

(3) Allocation Distribution Base: _____

(4) Current beginning and ending period applicable to rate: _____

Estimated Indirect Costs are shown on the SF-424A budget form. If a new NICRA is issued during the grant's period of performance, it must be provided to DOL within 30 days of it being issued. Funds may be re-budgeted as necessary between direct and indirect costs as long as it is consistent with 10% Budget Flexibility term within this

agreement, grant requirements and DOL regulations on prior approval. However, the total amount of the grant award will not be increased.

Any changes to the budget that impact the Statement of Work and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

- ___ B. (1) ___ Latest NICRA or CAP approved by the Federal Cognizant Agency (FCA) is not current, or
- (2) ___ An indirect cost rate proposal or CAP has not been submitted for approval.

URGENT NOTICE: Estimated indirect costs have been specified on the SF-424A, Section B, Object Class Category “j”, however only *10% of Personnel line or 10% of Indirect Charges line (whichever is less)* will be released to support the indirect costs in the absence of a NICRA or CAP approved by the cognizant agency. The remaining funds which have been awarded for Indirect Costs are restricted and may not be used for any purpose until the recipient provides a signed copy of the NICRA or CAP and document stating that the restriction is lifted by the Grant Officer. Upon receipt of the NICRA or CAP, the Grant Officer will issue a grant modification to the award to remove the restriction on those funds.

As the award recipient, your organization must submit an indirect cost rate proposal or CAP. These documents should be submitted to the DOL’s Division of Cost Determination (DCD) or to the recipient’s FCA. In addition, the recipient must notify the Federal Project Officer (FPO) that the documents have been submitted to the appropriate FCA. **If this proposal is not submitted within 90 days of the effective date of the award, no funds will be approved for the reimbursement of indirect costs.** Failure to submit an indirect cost proposal by the above date means the award recipient will not receive further reimbursement for indirect costs until a signed copy of the federally approved NICRA or CAP is provided and the restriction is lifted by the Grant Officer. All indirect costs paid for using grant funds must be returned through the Payment Management System. No indirect costs will be reimbursed without a NICRA or an approved CAP.

The total amount of the DOL’s financial obligation under this grant award **will not be** increased in order to reimburse the recipient for higher negotiated indirect costs.

- ___ C. The award recipient elected to exclude indirect costs from the proposed budget. Please be aware that incurred indirect costs (such as top management salaries, financial oversight, human resources, payroll, personnel, auditing costs, accounting and legal, etc. used for the general oversight and administration of the organization) must not be classified as direct costs; these types of costs are indirect costs. Only direct costs, as defined by the applicable cost principles, will be charged. According to 2 CFR 200.412, if indirect costs are misclassified as direct costs, such costs may become disallowed through an audit.
- ___ D. The award recipient has never received a negotiated indirect cost rate and, pursuant to the exceptions noted at 2 CFR 200.414(f) in the Cost Principles of the Uniform Guidance

has elected to charge a de minimis rate of 10% of modified total direct costs (see 2 CFR 200.68 for definition of MTDC) which may be used indefinitely. Governmental departments or agencies that receive more than \$35 million in direct Federal Funding must submit an indirect cost rate proposal and cannot request a de minimis rate. This methodology must be used consistently for all Federal awards until such time as you choose to negotiate for an indirect cost rate, which you may apply to do at any time. (See 2 CFR 200.414(f) for more information on use of the de minimis rate.)

If the DOL is your FCA, as a recipient, your organization must work with DOL's DCD, which has delegated authority to negotiate and issue a NICRA or CAP on behalf of the Federal Government. More information about the DOL's DCD is available at <http://www.dol.gov/oasam/boc/dcd/>. This website has guidelines to develop indirect cost rates, links to the applicable cost principles, and contact information. The DCD also has Frequently Asked Questions to provide general information about the indirect cost rate approval process and due dates for provisional and final indirect cost rate proposals at <http://www.dol.gov/oasam/faqs/FAQ-dcd.htm>.

Starting the quarter ending September 30, 2016, all grant recipients with an approved NICRA or de minimis rate must report indirect costs on their **FINAL** ETA-9130 Form. Please see TEGL 2-16 for additional guidance at https://wdr.doleta.gov/directives/attach/TEGL/TEGL_2-16_acc.pdf

6. Approved Budget

The award recipient's budget documents are attached in this Notice of Award. The documents are: 1) the SF-424, included as Attachment A; 2) the SF-424 A, included as Attachment B; and 3) the Budget Narrative, included as Attachment C. As the award recipient, your organization must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR 200 or your grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

7. Return of Funds

Effective October 1st, 2017, the U.S. Department of Labor, Employment & Training Administration will no longer be accepting paper checks for any type of returned funds. All return of funds are to be submitted electronically through the Payment Management System (PMS) operated by the U.S. Department of Health and Human Resources via the same method as a drawdown.

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the U.S. Department of Labor/ETA Office of Financial Administration via email at: ETA-ARteam@dol.gov for further assistance.

8. Evaluation, Data, and Implementation

As the award recipient, your organization must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

9. Resources and Information

Additional resources and information to assist you are located on the ETA website at <https://www.doleta.gov/grants/resources.cfm> and on the Grants Application and Management collection page located on WorkforceGPS.org at <https://grantsapplicationandmanagement.workforcegps.org/>. These sites contains information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

10. Special award conditions

a. Submission of required documents

In accordance with TEGL 17-17, grantee must submit the following documents in one e-mail to Grants.SCSEPDOCS@dol.gov within 30 days of the date under the Grant Officer's signature:

- SF-424A
- Budget narrative per section 6 of TEGL 17-17
- Program narrative per section 6 and Attachment B of TEGL 17-17
- Programmatic Assurances per section 6 and Attachment C of TEGL 17-17
- Optional Special Requests per section 6 and Attachment D of TEGL 17-17

11. Cost Limitation Restrictions

a. Administrative Costs

The administrative costs under this grant are not to exceed 13.5% of the grant amount. If necessary, certain exceptions can raise this limit to up to 15% of the grant amount, but it would need prior written approval from the Grant Officer. Administrative costs, as defined in the Older Americans Act 2006 Amendments – Section 502(c)(4), are the costs of personnel-related and non-personnel-related and direct and indirect, associated with the following: “(A) The costs of performing general administrative functions and providing for the coordination of functions, such as the costs of— “(i) accounting, budgeting, and financial and cash management; “(ii) procurement and purchasing; (iii) property management; “(iv) personnel management; “(v) payroll functions; “(vi) coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports; (vii) audits; (viii) general legal services; (ix) developing systems and procedures, including information systems, required for administrative functions; (x) preparing administrative reports; and (xi) other activities necessary for the general administration of government funds and associated programs. “(B) The costs of performing oversight and monitoring responsibilities related to administrative functions. (C) The costs of goods and services required for administrative functions of the project involved, including goods and services such as rental or purchase of equipment, utilities, office supplies, postage, and rental and maintenance of office space. (D) The travel costs incurred for official business in carrying out administrative activities or overall management. (E) The costs of information systems related to administrative functions (such as personnel, procurement, purchasing, property management, accounting, and payroll systems), including the purchase, systems development, and operating costs of such systems. (F) The costs of technical assistance,

professional organization membership dues, and evaluating results obtained by the project involved against stated objectives.

b. Budget Flexibility

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently \$150,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to obtain the Grant Officer's approval when transferring funds among direct cost categories. This includes transferring direct costs to the indirect cost category contained on the SF424 (a).

c. Consultants

For the purposes of this award, the ETA Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$710 per day (representing an eight hour work day). Any fees paid in excess of this amount cannot be paid without prior approval from the Grant Officer.

d. Non-Federal Share (Match or Cost Share)

This award includes a non-Federal share (match or cost share) amount as indicated in one of the following sections of the 424A: 18b, 18c, 18d or 18e. Per Section 502(c)(1) of the Older Americans Act and 20 CFR 641.809, the DOL will pay no more than 90 percent of the total cost of the activities carried out under a SCSEP grant. The costs that the recipient incurs in fulfilling its matching or cost-sharing requirement are subject to the same requirements, including the cost principles that are applicable to the use of Federal funds. Such costs must be reasonable, allocable and allowable to the program. In addition, those costs must adhere to the guidelines specified in 2 CFR 200.306, be verifiable in the recipient's records with proof that prior approval where required were obtained; whether in cash or in-kind, the non-Federal share is expected to adhere to the same cost limitations. The recipient cannot claim a cost as both an allowable cost and as match expenditure. The recipient must meet its cost share commitment over the life of the award. Cost share or match must be reported on the ETA-9130 quarterly financial report under the Recipient Share section.

e. Travel

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.474. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entities written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

f. Travel – Foreign

Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

g. Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.474(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2018 mileage reimbursement rates are:

Modes of Transportation	Effective/Applicability Date	Rate per mile
Privately owned automobile	January 1, 2018	\$0.545
Privately owned motorcycle	January 1, 2018	\$0.515

Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance.

h. WIOA Infrastructure

WIOA sec. 121(b)(1)(B) and 20 CFR 678.400 require the following programs to be One-Stop partners: A. WIOA title I programs: Adult, Dislocated Worker, and Youth formula programs; Job Corps; YouthBuild; Native American programs; National Farmworker Jobs Program (NFJP); B. Wagner-Peyser Act Employment Service (ES) program authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.), as amended by WIOA title III; C. Senior Community Service Employment Program (SCSEP) authorized under title V of the Older Americans Act of 1965; D. Trade Adjustment Assistance (TAA) activities authorized under chapter 2 of title II of the Trade Act of 1974; E. Unemployment Compensation (UC) programs; F. Jobs for Veterans State Grants (JMSG) programs authorized under chapter 41 of title 38, U.S.C.; and G. Reentry Employment Opportunities (REO) programs (formerly known as Reintegration of Ex-Offenders Program (REXO) authorized under sec. 212 of the Second Chance Act of 2007 (42 U.S.C. 17532) and WIOA sec. 169.

With the exception of Native American programs established under WIOA sec. 166, all One-Stop partner programs including all programs that are funded under title I of WIOA are required to contribute to the infrastructure costs and certain additional costs of the One-Stop delivery

system in proportion to their use and relative benefits received as required in 20 CFR 678.700 and 678.760. While Native American programs are not required to contribute to infrastructure costs per WIOA 121(h)(2)(D)(iv), they are strongly encouraged to contribute as stated in TEGL 17-16. The sharing and allocation of infrastructure costs between One-Stop partners is governed by WIOA sec. 121(h), WIOA's implementing regulations, and the Federal Cost Principles contained in the Uniform Guidance at 2 CFR part 200 and DOL's exceptions at 2 CFR part 2900. The Federal Cost Principles state that a partner's contribution is an allowable, reasonable, necessary, and allocable cost to the program and is consistent with other legal requirements.

12. Administrative Requirements

a. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. DOL awards recipients including for-profit and foreign entities that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

b. Closeout/Final Year Requirements

At the end of the grant period, the award recipient will be required to close the grant with the ETA. As the award recipient, your organization will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. The information concerning the recipient's responsibilities at closeout may be found at 2 CFR 200.343. During the closeout process, the grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

c. Creative Commons Attributions License

As required at 2 CFR 2900.13, any intellectual property developed under a competitive award process must be licensed under a Creative Commons Attribution 4.0 (CC BY) license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and attribute the work in the manner specified by the recipient. For general information on CC BY, please visit <http://creativecommons.org/licenses/by/4.0>. The Instructions for marking your work with CC BY can be found at http://wiki.creativecommons.org/Marking_your_work_with_a_CC_license

d. Equipment

Award Recipients must receive **prior approval** from the Grant Officer to purchase any equipment as defined in the Uniform Guidance at 2 CFR 200.33. Equipment purchases must be made in accordance with 2 CFR 200.313 or 2 CFR 200.439.

Being awarded this grant **does not** automatically means you are approved for the equipment specified in a recipient's budget or statement of work unless it is specifically approved by the Grant Officer. If not specified above, the recipient must submit a detailed list describing the purchase to the FPO for review within 90 days of the Notice of Award date. We strongly encourage recipients to submit requests for equipment purchase as early as possible in the grant's period of performance with as many planned pieces of equipment as possible.

Recipients may not purchase equipment in the last funded year of performance which is defined as full program service delivery (not follow up activities), but yet may not be the same as the last twelve months of the period of performance. If any approved acquisition has not occurred prior to the last funded year of performance, approval for that item(s) is rescinded.

These requirements are in addition to those found in the Intellectual Property Rights term provided in this document.

j. Procurement

The Uniform Guidance Procurement Standards at 2 CFR 200.317-326 require all award recipients and subrecipients to conduct procurement transactions in a manner that promote practical, open and free competition. If the award recipient specifies the entity that will provide the goods or services in their statement of work, then the DOL ETA's description of award does not provide the justification for such sole-source procurement.

k. Program Income

The "Addition" method as described in 2 CFR 200.307 must be used in allocating any program income generated for this grant award. Award recipients must expend all program income prior to drawing down additional funds as required at 2 CFR 200.305(b) (5) and 2 CFR 200.307(e). Any program income found remaining at the end of period of performance must be returned to the ETA. m. Recipient Integrity and Performance Matters

1. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or

after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

 - IV. Any other criminal, civil, or administrative proceeding if:
 - (A) It could have led to an outcome described in paragraph 2.c.I, II, or III of this award term;
 - (B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (C) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.
3. Reporting procedures. Enter in SAM Entity Management area (formerly CCR), or any successor system, the FAPIIS information that SAM requires about each proceeding described in paragraph 2. of this award term. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM (formerly CCR) because you were required to do so under Federal procurement contracts that you were awarded.
4. Reporting frequency. During any period of time when you are subject to the requirement in paragraph 1. of this award term, you must report FAPIIS information through SAM no less frequently than semiannually following your initial report of any proceedings for the most recent 5-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report.

A final financial report must be submitted no later than 90 calendar days after the grant period of performance ends. A closeout report will be submitted during the closeout process. For additional guidance on ETA's financial reporting, reference Training and Employment Guidance Letter (TEGL) 02-16 and https://www.doleta.gov/grants/pdf/ETA-9130_Financial_Reporting_Resources.pdf

Therefore, costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

p. Subawards

A *subaward* means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient comply with all applicable regulations and the terms and conditions of this award (2 CFR 200.101(b)(1)).

q. Supportive Services & Participant Support Costs

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. Costs must still meet the basic considerations at 2 CFR 200.402 – 200.411. Questions regarding supportive services and participant support costs should be directed to the FPO who is assigned to the grant.

(2 CFR 200.23) These goods or services may be for an organization's own use or for the use of the beneficiaries of the Federal program. Additional guidance on distinguishing between a subrecipient and a contractor (vendor) is provided in 2 CFR 200.330. When procuring contractors for goods and services, DOL ETA recipients and subrecipients must follow the procurement requirements 2 CFR 200.319, which calls for free and open competition.

In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals’ religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services.

The regulations implementing this priority of service can be found at 20 CFR part 1010. In circumstances where a grant recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the grant recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Recipients must comply with the DOL guidance on veterans' priority. ETA's Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL. TEGL No. 10-09 is available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816.
