- Missouri WIC Conference hotels, agenda and registration
- July 2024 social media
- New procedure document for MOWINS
- Location change of MOWINS procedure forms in the LA Portal

### MISSOURI MASTER PLAN ON AGING -- STATEWIDE NEEDS ASSESSMENT

Did you know that within ten (10) years, older adults in Missouri will outnumber children for the first time in our history? In order to prepare for this aging population, Governor Parsons signed executive order 23-01, Missourians Aging with Dignity. Work has been happening on this plan since February 2023. DHSS has partnered with the Missouri Area Agencies on Aging to contract with Polco to develop a statewide needs assessment survey. Today we are excited to announce that Missouri is one step closer in the development of the Master Plan on Aging: Missourians Aging with Dignity with the launch of the Statewide Needs Assessment. The survey kicks off July 8! We need you to complete the survey and share the opportunity with all of your colleagues, friends, and family. We need as many Missourians as possible to complete the survey to ensure that their voices are heard in the development of the Missouri Master Plan on Aging. The survey takes about twenty (20) minutes to complete, but will give the state the information needed to ensure the plan will meet the needs and wants of as many Missourians as possible. We are all aging and are, or will be, caregivers in our lives. The Master Plan on Aging is being designed to ensure that Missouri can plan for the aging population. We need your support to make Missouri the best place to age! You can take the survey at [polco.us/missouri24](http://polco.us/missouri24) or by using this QR code on the attached [document](#). The survey will only be open until August 13<sup>th</sup>, so please share the information quickly and be sure to take the survey yourself. Assistance in taking the survey is available to anyone needing it by calling Polco at: 855-773-0665. Paper copies of the survey can be requested by emailing: [survey@polco.us](mailto:survey@polco.us). The survey is also available in multiple languages, and others can be added upon request. You can learn more about the Missouri Master Plan on Aging by visiting: [www.health.mo.gov/aging](http://www.health.mo.gov/aging). Remember, Aging is so cool, everyone is doing it!

### MISSOURI COOLING CENTER MAP

Cooling centers provide a cool place for people to go during extremely hot weather. The Department of Health & Senior Services maintains an interactive map of cooling centers/shelters to be used by the public. This interactive map of [cooling centers in Missouri](#) is accessible to the public on the department's website. If you are aware of additions or deletions to the list of cooling centers in your county, please send those changes to Marcia Davis at: [marcia.davis@health.mo.gov](mailto:marcia.davis@health.mo.gov) as soon as possible. We want to include information on all sites designated as cooling centers. Information needed is name of facility, street address, city, phone number, and hours of operation as well as whether the facility is ADA compliant.

### DHSS CORNER

#### DHSS JOB OPPORTUNITIES/NEWS:

For additional DHSS Job Opportunities, please visit the MO Careers website [here](#).

### MEETINGS, CONFERENCES, AND TRAININGS

#### State Emergency Management Agency (SEMA) Upcoming Courses

Please view upcoming courses being offered by the State Emergency Management Agency (SEMA). See [flyer](#) for registration status. This section contains courses that have a target audience that includes Public Health, Medical (Hospital) or Healthcare.

#### Lunchtime Webinar — Lead & Nutrition

The Missouri Department of Health and Senior Services Childhood Lead Poisoning Prevention Program is hosting a lunchtime webinar on lead poisoning and nutrition. This one-hour webinar will provide a quick overview of lead poisoning, testing, and nutrition's influence on lead poisoning. It will be held on Wednesday, July 31, from 12:30 to 1:30. If you'd like to participate, email Maggie Burns at: [maggie.burns@health.mo.gov](mailto:maggie.burns@health.mo.gov). You will receive the calendar invite with a virtual login.

#### Lead Case Management Training — Springfield, MO

The Missouri Department of Health and Senior Services Childhood Lead Poisoning Prevention Program is hosting an in-person lead case management training in Springfield, MO, on August 2. The training will be held from 9:00 am to 3:00 pm. This training is geared towards lead case managers. Lunch will NOT be provided, but there will be an hour for lunch and a food establishment on site. Click [HERE](#) to sign up for training. If you have any questions about this training, contact Maggie Burns at: [maggie.burns@health.mo.gov](mailto:maggie.burns@health.mo.gov) or call: 573-526-9079.

#### Be a Recognized Leader in Public Health – Readiness Assessment Training

Join a growing number of health departments across the country seeking to transform public health in their community. Efforts across Missouri like 21C, statewide readiness, and an investment in accreditation activities present a historic opportunity for your health department to be leaders in public health practice. The first step is to register to attend an upcoming Readiness Assessment (RA) Training on: August 28 from 2:00pm 3:30pm. Please contact: [educationservices@phaboard.org](mailto:educationservices@phaboard.org) to register to attend.

**Note:** If your health department completes the RA prior to May 1, 2025, it will be eligible to receive 20% of the incentive dollars allocated to the department through the FY25 LPHA Incentive Program. It is a requirement to complete RA training prior to completing the assessment.

# LPHA JOB OPPORTUNITIES

## **FULL-TIME NUTRITIONIST/DIETITIAN -- Camden County Health Department**

The Camden County Health Department has an immediate opening for a full time (35 hours/week) Nutritionist/Dietitian in the WIC program. Applications are at the health department or can be found under the Quick Links/Forms tab at: [www.maconmohealth.org](http://www.maconmohealth.org). The Macon County Health Department Board of Trustees reserves the right to reject any and all applications. Macon County Health Department is an equal opportunity employer.

## **FULL-TIME REGISTERED DIETITIANS — St. Louis County Department of Public Health**

The St. Louis County Department of Public Health has an opening for a WIC Health Education Supervisor (Registered Dietitian). This is a full time, grant funded, Registered Dietitian position working out of the North Central Community Health Center at 4000 Jennings Station Road. The WIC Supervisor position requires a minimum of one year of Registered Dietitian experience. The Department of Public Health also has two additional Registered Dietitian positions that would work in the Health Center medical clinics at the John C. Murphy Health Center at 6121 N. Hanley Road and the North Central Community Health Center at 4000 Jennings Station Rd. doing a mixture of Medical Nutrition Therapy and WIC. For additional information or to apply online visit: <https://www.governmentjobs.com/careers/stlouis> and search for WIC Health Education Supervisor and/or Registered Dietitian.

## **PUBLIC HEALTH NURSE/RN -- Warren County Health Department**

Warren County Health Department has an opening for a Public Health Nurse/RN. Warren County offers a competitive total compensation package. We are looking for a great RN who would love to work full-time with our community- usual schedule is Monday-Friday days (all State and Federal Holidays off)! New grads are welcome to apply. Click for the full job description and application: <https://warrencountyhealth.com/hiring-full-time-rn-position/> or email your resume to: [swhite@warrencountymo.org](mailto:swhite@warrencountymo.org).

## **FULL-TIME PUBLIC HEALTH PROGRAM SPECIALIST—WIC state agency**

Applications for the open position of northeast district administrative technical assistant (TA) are being accepted online at: [mocareers.mo.gov](http://mocareers.mo.gov). Apply for northeast administrative specialist position number 4411057-062824. This position was previously held by Sara Pierce. **Closing date is July 11, 2024.** Contact Colleen Balducci at: 314-877-2811 or by email at: [colleen.balducci@health.mo.gov](mailto:colleen.balducci@health.mo.gov) with questions. As a district administrative TA for the Missouri WIC Program, you will be directly involved in providing technical assistance and support to 116 WIC local agencies in the state and, more specifically, to 28 local agencies in northeast Missouri. Indirectly, you will be an integral part of ensuring the well-being of Missouri's women, infants and children, making a difference for those in need! In this position, you will enjoy collaborative interactions with WIC local agency staff, participants and colleagues, as well as opportunities for continuing education, resulting in a job that becomes a satisfying, fulfilling career. Telecommuting will be considered for this position after successful onboarding. The State of Missouri is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

**FULL-TIME NUTRITIONIST/DIETITIAN — Affinia Healthcare**
