- Missouri DSS outreach data available December 9-10, 2024
- WIC Breastfeeding Award of Excellence

MISSOURI ENVIRONMENTAL HEALTH ASSOCIATION AWARDS -- CALL FOR NOMINATIONS

The Missouri Environmental Health Association Awards nomination period for the 2025 Spring Annual Education Conference is open! This annual event celebrates outstanding achievements and excellence in the Environmental Public Health field. If you know someone deserving of recognition, don't hesitate to nominate them. Submit your nominations by December 31! For more details and to make your submission visit the official MEHA Awards page: [MEHA Awards](#). Do not miss this opportunity to honor excellence! Nomination Deadline December 31, 2024. Use our online nomination form <https://mehamo.org/awards>. Questions? Contact Mark Snyder: msnyder@maconmohealth.org.

FROSTBITE AND HYPOTHERMIA -- AVOID. SPOT. TREAT.

As cold weather approaches, social media messages can provide a good reminder to bundle up and watch for frostbite and hypothermia. Messages along with graphics are in the [LPHA Info Hub](#).

PIKE COUNTY MEMORIAL HOSPITAL – PIKE RECOVERY — OPIOID TREATMENT CLINIC

Pike Recovery is an Opioid Treatment Clinic that holds immense importance in our community as a beacon of hope and healing for individuals struggling with opioid addiction. In the face of the opioid epidemic, recovery clinics provide a crucial lifeline by offering Medication-Assisted Treatment (MAT), specifically utilizing Suboxone, to address both the physical and psychological aspects of addiction. By integrating medications with counseling and behavioral therapy, Pike recovery provides a comprehensive approach to healing, helping individuals manage withdrawal symptoms, curb cravings, and embark on a journey toward a substance-free life. Please see [flyer](#) for more information and Peer Recovery Groups.

NACCHO -- 2025 RESILIENCE CATALYSTS IN PUBLIC HEALTH PILOT PROGRAM -- FUNDING OPPORTUNITY

NACCHO's Health Equity and Social Justice team is accepting applications for the **2025 Resilience Catalysts in Public Health Pilot Program**. This initiative, supported by funding from the Centers for Disease Control and Prevention (CDC), invites local health departments (LHDs) to participate in piloting tools designed to enhance community resilience and support health equity efforts. NACCHO, in partnership with the Center for Community Resilience, is offering funding to LHDs to pilot one of two tools:

- **Implementation Guide:** Supports LHDs in implementing the Resilience Catalysts framework, including conducting root cause analyses, developing focus areas, and creating communication plans
- **Evaluation Roadmap:** Helps LHDs build evaluation capacity through tailored e-learning modules and guidance

Funding Opportunity:

- Up to \$15,000 per LHD to support participation in this pilot
- Funding is available for four (4) LHDs

Eligibility:

- LHDs must commit 2–5 staff and up to 50 hours to pilot testing
- Applicants for the **Implementation Guide** must have a programmatic interest in ACEs, injury/violence prevention, or racial/economic equity
- Applicants for the **Evaluation Roadmap** must be prior Resilience Catalysts participants

Important Dates:

- Informational Webinar: Monday, December 16, 1:00–2:00 PM EST
- Application Deadline: Tuesday, December 31, 11:59 PM EST
- Project Period: February–May 2025

For more information, register for webinar, or download application go to: [RFA: Resilience Catalysts in Public Health Pilot Program - NACCHO](#).

WARMING CENTERS MAP

Warming centers provide a heated place for people to go during extremely cold weather. The Department of Health & Senior Services maintains an interactive map of warming centers/shelters to be used by the public. This interactive map of [warming centers in Missouri](#) is accessible to the public on the department's website.

If you are aware of additions or deletions to the list of warming centers in your county, please send those changes to Marcia Davis at: marcia.davis@health.mo.gov as soon as possible. We want to include information on all sites designated as warming centers. Information needed is name of facility, street address, city, phone number, and hours of operation as well as whether the facility is ADA compliant.

SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION (SAMHSA) – HOLIDAY TOOLKIT

The National Alliance on Mental Health (NAMI) conducted a survey that found 64 percent of individuals living with a mental health illness experience worsened conditions around the holidays. Isolation, loneliness and stress can be difficult for anyone, especially those living with mental health and/or substance use disorders. The Substance Abuse and Mental Health Services Administration (SAMHSA) provides a 24-hour-a-day, 365-days-per-year national hotline (1-800-662-HELP (4357) for individuals and families facing mental health and/or substance use disorders. This service provides referrals to local treatment facilities, support groups and community-based organizations. Be prepared for the hustle and bustle of the holiday season. Visit SAMHSA [here](#) to learn some strategies for supporting your mental health during the holiday season. Get SAMHSA's [holiday toolkit](#) for graphics, banners and tips.

LOCAL EMERGENCY PREPAREDNESS AND RESPONSE -- GAP ANALYSIS SURVEY

The Missouri DHSS State Health Improvement Plan (SHIP) Priority Issue 4: Emerging Public Health Threat Preparedness has created a Local Emergency Preparedness and Response Gap Analysis Survey. The survey has sections on hazard and threat concerns for communities. It also includes questions on mitigation and response, emergency preparedness, communications and community organizations. We invite any local/city/county/community agency to provide feedback through this survey. The results will be used to inform design of future trainings/SHIP Activities and will also provide data for the 2025 Public Health Emergency Preparedness (PHEP) grant Risk Assessment. The survey will take approximately 30 minutes to complete. Once you start you cannot save your answers and go back at a later time. We appreciate your willingness to help us understand the threats, hazards and training needs for Missouri communities when it comes to emergency preparedness, response, and recovery. Survey Link: <https://survey123.arcgis.com/share/83cd1ddd92404bd99569c0559b027706>. Your assistance is greatly appreciated. If possible, please complete the survey before Thursday, January 9. If you have questions please email: dms@health.mo.gov.

MEETINGS, CONFERENCES, AND TRAININGS

State Emergency Management Agency (SEMA) Upcoming Courses

Please view upcoming courses being offered by the State Emergency Management Agency (SEMA). See [flyer](#) for registration status. This section contains courses that have a target audience that includes Public Health, Medical (Hospital) or Healthcare.

Mental Health First Aid (MHFA) for Adults

DMH is partnering with the Missouri Institute for Mental Health (MIMH) to provide several regional trainings and two virtual trainings on Mental Health First Aid (MHFA) for adults. MHFA teaches you how to identify, understand and respond to signs of mental health and substance use challenges among adults.

To register for an upcoming virtual training:

January 16, 2025 [Register here for virtual course](#)

January 24, 2025 [Register here for virtual course](#)

Are you interested in becoming a certified trainer in MHFA? Starting in the fall of 2025, DMH will roll out a scholarship program for a 3-day virtual Train-the Trainer course – free for those accepted. Watch for details in 2025!

Save the Date -- Lactation Conference

The CoxHealth Education Center and Greater Ozarks Regional Breastfeeding Coalition would like to invite you to Save the Date for our next Lactation Conference on Friday September 12, 2025. It will be offered virtual or in-person at the Foster Auditorium, Cox Medical Center South in Springfield Missouri. Our keynote presenter will be Lisa Marasco, MA, IBCLC, FILCA with topics on Counseling the High Need Parent, Low Milk Production, and Boost Your Prolactin IQ. A breakout session on Metabolic Health or Breastfeeding and Baby-Led Weaning will also be offered. Lunch will be provided for those attending in person and education credits will be provided for all attendees. Registration will open on Eventbrite July 2025! For more information see [flyer](#).
