HIGHLIGHTS

MISSOURI PUBLIC HEALTH ASSOCIATION (MPHA) -- SEEKING AWARD NOMINATIONS

MPHA is seeking nominations for a number of awards to be made at our annual meeting in September. Each year, MPHA honors those individuals and groups that have gone above and beyond in achieving public health impacts. These awards are recognition of the excellence that exists in Missouri and we celebrate these impacts. Please consider making a nomination for these prestigious awards. They can be found at the following website address: www.mopha.org/awards. For additional information please contact Burt Malone at: 816.809.9994 or by email at: Burt.Malone923@gmail.com. Deadline for submission of nominations is **22 August 2025**. Thank you for considering this recognition.

NEW ADMINISTRATOR -- CALDWELL COUNTY HEALTH DEPARTMENT

Caldwell County Health Department is excited to announce Molly Lund as the new Assistant Administrator. Molly brings a wealth of experience and dedication to her new role, having served the department for nine years as a WIC nutritionist. Her extensive background includes earning her Certified Clinical Medical Assistant certification, and she has a strong understanding of various public health programs. The department is confident that her expertise and commitment will be a great asset in her new leadership position.

HURRY-DEADLINE APPROACHING! MISSOURI PUBLIC HEALTH NURSING AWARDS

We need your help to honor and recognize a Missouri public health nurse who exemplifies excellence in public health nursing practice. The Missouri Public Health Association (MPHA) Section for Public Health Nursing (SPHN) is accepting applications to nominate a public health nurse and public health nurse leader for the 2025 Public Health Nursing Awards. The awards will be presented at the 2025 Joint Annual Public Health Conference in September. To nominate a public health nurse, please complete the nomination form at this link: https://mopha.org/wp-content/uploads/2024/10/publichealthnursingawardapplication-2024_651.pdf and email the form to: Trina Teacutter, Secretary, MPHA Section for Public Health Nursing, trina.teacutter@como.gov. The deadline for nominations has been extended to August 11.

Lead Case Management Training Opportunity

The Missouri Department of Health and Senior Services' Childhood Lead Poisoning Prevention Program is hosting an in-person training for lead case management. The training will be held on Thursday, August 28 from 9:00 to 4:00 in Moberly, Missouri. The training will cover the basics of lead poisoning, testing requirements, recommended actions for providers and case managers, environmental management and more. We will also provide an overview of ShowMe WorldCare for lead case managers, so attendees should bring a laptop and a charger. There are limited seats available. If you'd like to sign up for this training, please go to this [LINK](#) or contact Maggie Burns: Maggie.Burns@health.mo.gov for more information.

Public Health Nursing Workforce Learning Lab

ASTHO is launching the Public Health Nursing Learning Lab Series, a virtual space for anyone working in a governmental public health agency, focused on exploring solutions to today's public health nursing workforce challenges. This interactive series will focus on leadership development, systems thinking, and strategies to strengthen and support the public health nursing workforce. Participants will learn from one another and share resources and strategies on how to address staffing shortages, burnout, and changing role expectations for public health nurses in governmental public health agencies.

Meet the Facilitator

Shirley Orr is a trusted national leader in public health nursing and workforce development. She is a founding member and past president of the Association of Public Health Nurses. Orr has worked with local, state, and national partners to develop nursing leadership and improve workforce infrastructure.

Participants will:

- Identify strategies to address workforce challenges like recruitment, retention, and burnout
- Strengthen their leadership and systems thinking skills
- Understand how to support and sustain the public health nursing workforce
- Build connections and share ideas with peers from across the country

This series is designed for public health professionals working in governmental agencies, such as workforce directors, HR personnel, public health nurses, and managers, who are committed to innovative strategies for strengthening the public health nursing workforce. Whether you're new to the field or an experienced leader, you'll gain valuable insights and practical tools to drive change and support your team.

Session Dates: Sessions are virtual. You must be logged in to register. Login or create an account, if you do not have one, use the Login at the top right corner of this page: [Meeting Home Page](#).

- Session 2 (August 27, 3-4pm ET) – Evidence-Based Recruitment and Retention Strategies in Public Health Nursing
- Session 3 (September 24, 3-4pm ET) – Public Health Nursing Residency Programs and Leadership Pathways
- Session 4 (October 22, 3-4pm ET) – Leveraging Partnerships to Strengthen the PHN Workforce
- Session 5 (November 19, 3-4pm ET) – Public Health Nursing Workforce Culture
