October 1, 2018

IMPORTANT ANNOUNCEMENT

All Newborn Screening kits ordered after October 1, 2018, will have an additional “Altered Health Status” field on the Newborn Screening demographic form under #20. The additional field that has been added is “Drug Withdrawal Signs”. This announcement is to alert you of this addition, so that this information, if it applies to the infant, can be documented on the Newborn Screening form by checking the associated box.

If you have questions, please contact Lori Swartz, Newborn Screening Program, at 573-751-6266.
