
Community Resource Directory

Updated March 2013

The **Community Resource Directory** has been developed to be helpful to families living in the counties of Dunklin, Mississippi, New Madrid, Pemiscot, Scott, and Stoddard.

Delta Area Economic Opportunity Corporation, a Community Action Agency, created this document and shared with other organizations allowing the distribution to all families and professionals.

DAEOC provides appropriate programs and services that empower people to make positive change in their community, family and personal lives in order to achieve and maintain self-sufficiency.

REGIONAL CENTER

Services Provided: Working side by side with individuals, families, agencies, and diverse communities, the Department of Mental Health establishes philosophy, policies, standards, and quality outcomes for prevention, education, habilitation, rehabilitation, and treatment for Missourians challenged by mental illness, substance abuse/addiction, and developmental disabilities. The regional offices, the primary points of entry into the system, provide assessment and case management services, which include coordination of each individual persons centered plan. A regional office may refer an individual to a habilitation center. Habilitation centers primarily serve individuals who are medically and behaviorally challenged or court committed. All habilitation centers are Medicaid certified.
