ADA American Dental Association®

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between Missouri Primary Care Association (MPCA) and the Missouri Department of Health and Senior Services. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. MPCA designates this activity for 1 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp. For further information contact Karen Dent, Oral Health Network Director, 3325 Emerald Lane, Jefferson City, Missouri 65109, 573-636-4222, kdent@mo-pca.org.
