General Oral Health Review Rules:

- Do not leave any questions unanswered.
- Assume a condition is not present if you are not sure.
- A broken or chipped tooth is not considered unless an obvious cavity is present.

Presence of Dental Sealants

Only on permanent molars. Includes partially retained sealants.

History of Rampant Decay

Cavities, fillings or missing teeth due to decay on seven or more teeth.

Treated Decay

Any fillings or missing teeth due to decay. Missing teeth not due to cavities should not be included.

Untreated Decay

Must be visible, obvious cavities. Retained roots, broken or chipped teeth are not considered unless cavities are present.

Treatment Urgency

No Obvious Problem

Early Dental Care

Urgent Dental Care
