

Charlene (Char) Plotyia, Recruiter
Mercy Hospital Lebanon - Lebanon Missouri

Charlene Charlene (Char) Plotyia's nomination read:

Char has been with Mercy Lebanon for just over a year. With Char's energetic, enthusiastic approach to our recruitment needs, Mercy Lebanon has greatly increased its ability to provide needed access to high quality care in the communities we serve. Her drive, professionalism and ability to represent our community and the values we stand for highlights our organization to prospective recruits and gives us additional momentum to attract high quality physicians. With new physicians comes new knowledge and skills that allow us to not only improve access, but also to improve the quality of care we are able to provide.

Char is definitely a Rural Health Champion. Her efforts have helped to provide additional medical care in the rural environment, close to home and near the support systems of our rural residents.
