

N.E.W.S. (NURSE EDUCATION WEBINAR SERIES)

Presented by: Missouri Department of Health and Senior Services, in partnership with MU Sinclair School of Nursing and Missouri Telehealth Network.

Overview: The School Health Program is partnering with the MU Sinclair School of Nursing and Missouri Telehealth Network to provide a series of webinars designed for school health professionals. The webinars will focus on the latest information relating to managing children in the school setting with health issues and/or special health care needs covering a variety of topics.

Each session will focus on best practices, sharing ways to identify and implement communication as well as strategies to enhance the health and academic success of students. The web-based platform will allow all participants to engage in dialogue with content experts and colleagues in each session of the learning series.

Each webinar will take place on Wednesdays from 2:30 p.m. - 3:30 p.m.
