

Monthly Infection Control and Prevention Webinar Series:

What you need to know to keep you, your patients and community safe

2nd Thursday of each month from 12-1 p.m. beginning in June 2021 through November 2022

University of Missouri

Presented by: Sinclair School of Nursing | Extension
Continuing Education for Health Professions

REGISTER TODAY

ONE registration gets you access to ALL sessions!

NOTE: Topics may change due to the pace and volume of new knowledge regarding COVID-19 and the need to inform providers regarding best practices. July through November topics and speakers will be announced as we get closer to those months.
