

How To Order The Missouri Voter Registration Cards

Missouri Department of Health and Senior Services (DHSS) has been working closely with the Missouri Secretary of State's (SOS) Office in promoting Voter Registration in Missouri. There are two voter registration forms:

| Warehouse Catalog # | Title | Who Uses... |
|---------------------|--|--------------------------------|
| WIC/MVR-1 | Missouri Voter Registration Application | WIC participants |
| VR-1 | Missouri Voter Registration Application (Limited 100/order) | All Other Missouri Citizens |

Local WIC Providers can order both forms using the WIC Resource Request Form (WIC 8)
