

VI. FOOD FUNDS MANAGEMENT

(Please indicate) State Agency: Missouri

for FY: 2020

Food funds management involves monitoring cost containment measures and procedures related to infant formula and other authorized food items, the monitoring and management of State agency funding sources, and the accurate reporting of participation figures.

A. Cost Containment Measures - 246.4(a)(14)(xi): describe the policies and procedures used to implement cost containment measures as they relate to infant formula contracts, their approval and the processing of infant formula and/ or other rebates, and food package cost containment practices.

B. Funds Monitoring/798 Reporting - 246.4(a)(2); (a)(12); and (a)(14): describe the State agency's funding sources, how food obligations are calculated to allow for inflation, rebate cash management, and monthly closeout monitoring activities.

C. Participation Reporting - 246.4(a)(11): describe the methods used to accurately document and monitor participation at the State and local level, and methods for monitoring changes in participation by priority.

VI. FOOD FUNDS MANAGEMENT

A. Cost Containment Measures

1. The State agency seeks FNS approval related to infant formula cost containment measures (check one):

- For a waiver of the requirement for a single-supplier competitive system. State agency must complete a cost comparison projecting food cost savings in the single-supplier competitive system based on the lowest monthly net price or highest monthly rebate [as required in Section 246.16a(d)(2)(i) through (d)(2)(iii) and savings under an alternative cost containment system, Section 246.16a(d)(2)(B)]
- To issue an infant formula bid solicitation that evaluates bids by highest rebate. A State agency must demonstrate to FNS' satisfaction that the weighted average retail prices for different brands of infant formula in the State vary by 5% or less [as required in Section 246.16a(c)(5)(iii)].
- Not applicable

Please attach in the Appendix supporting documentation for requests for FNS approval.

Yes No

ADDITIONAL DETAIL: Food Funds Management Appendix and/or Procedure Manual (citation):

2. Food Cost Obligations

- a. The State agency calculates food obligations based on the following data (check one):

- Number of expected participants and average food cost per participant
- Number of expected participants by category (e.g., pregnant woman, infant, etc.) and average food cost per participant category
- Number of expected redemptions by food instrument type and cash-value voucher type and average value per food instrument type and cash-value voucher type
- Other (specify):

- b. The State agency estimates the impact of inflation on food costs through the use of the following inflation escalators:

- Inflation factor used in Federal funding formula
- State-generated estimates of inflation based on State market basket of foods
- Best guess by food item based on economic reports or other sources
- Other (specify): Gross National Product (GNP)

- c. The State agency ADP system automatically produces a monthly obligation amount

- Yes
- No, data are pulled from various sources and an estimated amount is calculated manually or with a PC spreadsheet
- Other (specify):

- d. The State agency system (in-house or contracted) provides the following data on food instrument and cash- value voucher redemptions at specific (daily, weekly, monthly, as needed) frequencies (check all that apply and provide frequency):

C. Participation Reporting

1. Participation Counting

- a. **The State agency counts an enrollee who received at least one food instrument/food package (or who received no food instrument/food package, but was either a fully-breastfed infant of a participating breastfeeding woman or a woman partially breastfeeding a participating 6 to 12 month old infant) as a participant during:**

- The calendar month
- The computer system cycle month
- Other (specify):

- b. **The State agency receives participation counts from:**

- The State agency computer system based on the number of persons issued food or food instruments (manual and automated food instruments), the number of fully-breastfed infants who receive no food or food instruments, but are breastfed by participating breastfeeding women, and the number of women who receive no food or food instruments, but are partially breastfeeding a participating 6 to 12 month old infant.
- Counts reported from local agencies based on issuance records
- Other (specify):

- c. **If State funds are present, the State agency differentiates between Federal-supported and State-supported participants by:**

- Special code on food instrument
- Special areas of State designated as State-supported areas
- Pro rata allocation based on proportion of Federal to State funds spent
- Other (specify):

- d. **When local agencies are chronically late in furnishing food instrument and/or certification data needed for participation counts, the State agency:**

- Sends warnings
- Applies financial sanctions
- Requires manual reporting
- Other (specify):

ADDITIONAL DETAIL: Food Funds Management Appendix and/or Procedure Manual (citation):

2. Participation by Priority

- a. **Priority level is a critical data field in the State agency's computer system.**

- Yes
- No

- b. **The State computer system automatically assigns priority level based on the enrollee's nutritional risk condition.**

- Yes
- No

VI. FOOD FUNDS MANAGEMENT

c. The State agency's computer system revises the priority level determination when a participant changes category (e.g., infant becomes child and receives a child's food package).

Yes No

d. The State agency has an "unknown" priority category for VOC transfers where priority is unknown.

Yes No

3. Participation by Local Agency

The State agency's computer system supports its requirement to report participation data by local agency to measure breastfeeding performance.

Yes No
