WOMEN'S HEALTH WEEK
May 8-14, 2023

NOW, THEREFORE, I, BERNWARD L. PREISS, GOVERNOR OF THE STATE OF MISSISSIPPI, do hereby proclaim

Women's Health Week to be observed in the State of Mississippi, from May 8-14, 2023.

The purpose of this proclamation is to raise awareness of women's health issues and to encourage women to visit their health care providers for preventive care.

Through increased awareness and education, we can reduce the incidence of preventable diseases and improve the overall health of Mississippi women.
