

“I never thought I’d  
need to call 911...  
until I thought I  
was having a stroke.

The doctor said that  
call saved my life.”

**Trauma • Stroke • Heart Attack**

With Missouri’s new Time Critical Diagnosis System, emergency care starts the minute you call 911. The system brings together 911, emergency medical responders and hospitals in a new way to provide quicker response and higher-quality care for trauma, stroke and heart attack.

**Minutes matter. Call 911.**
