

“I never thought I’d need to call 911... until I had a serious accident. The doctor said that call saved my life.”

Trauma • Stroke • Heart Attack

With Missouri’s new Time Critical Diagnosis System, emergency care starts the minute you call 911. The system brings together 911, emergency medical responders and hospitals in a new way to provide quicker response and higher-quality care for trauma, stroke and heart attack.

Minutes matter. Call 911.
