Important Updates

- You should have received a corrected Gap Analysis Tool for your LPHA via email from Lindsey Linkous.
 - This version of the tool fixes an error on the Summary tab.
- The Missouri Gap Analysis Tool is undergoing updates prior to next year's data collection.
 - LPHAs **SHOULD NOT** complete the DH-37 until they receive the updated form from the Gap Analysis Team in January.
 - *Reminder: The MU Gap Analysis Team will submit the DH-37 Annual Financial Report to DHSS on behalf of all LPHAs.*
- Will your point-of-contact change?
 - Please email FPHSgap@missouri.edu.
 - We will provide orientation for new contacts before data collection starts in January.
