Standing Order to Administer
Abbott ID NOW COVID-19 Testing By Local Public Health Agencies and the
Missouri Disaster Medical Assistance Team

Purpose
To enable local public health agencies and the Missouri Disaster Medical Assistance Team (DMAT) the opportunity to test symptomatic individuals in an effort to increase testing options available to the community through use of the Abbott ID NOW COVID-19 rapid molecular test. The Abbott ID NOW COVID-19 rapid molecular test may be used to test symptomatic individuals who are suspected of COVID-19 by their healthcare provider within the first seven days of the onset of symptoms. Symptoms are a new cough, difficulty breathing, loss of taste or smell, fever (≥100.4°F), congestion/runny nose, nausea/vomiting/diarrhea, sore throat, headache, and myalgia.

Policy
This standing order authorizes any Registered Professional Nurse or Licensed Practical Nurse who is licensed by the Missouri State Board of Nursing or has a privilege to practice in the State of Missouri from another compact state to test individuals in Missouri with the Abbott ID NOW COVID-19 rapid molecular test. After receiving documented training, the designee of any aforementioned RN or LPN may also administer this test. All entities completing testing under this standing order must have their own CLIA Certification or CLIA waiver. Providers operating under this standing order are not covered under the State of Missouri’s CLIA.
