Governor

December 22, 2020

As Director of the Missouri Department of Health and Senior Services (“Department”), pursuant to Executive Orders 20-04 and 20-19, I am vested with the authority to temporarily waive or suspend the operation of any statutory requirement or administrative rule, upon approval of the Office of the Governor. After consultation with and receiving approval from the Office of Governor, I am hereby waiving the following laws in order to assist the state, and its citizens prepare and respond to COVID-19 until March 31, 2021, unless otherwise modified by the Department.

Exception from Child Care Licensing Requirements for Operating Summer Camps

Section 210.201(11), RSMo. (2020) shall be waived to the extent the provision limits the operation of summer camps to the time period from May to September. This waiver allows child care providers already determined to be exempt from child care licensing requirements by the Department of Health and Senior Services’ Section for Child Care Regulation due to their status as a summer camp to continue operating as child care providers exempt from licensure until March 31, 2021, if those providers are seeking a child care license.
