Hemp Extract Registration Card Duration

Sections 192.945.7, RSMo, shall be suspended to the extent necessary for the Department of Health and Senior Services to toll the registration duration of hemp extract registration cards by the length of the state of emergency for a registrant or parent whose hemp extract registration card is set to expire during the state of emergency. Such waiver shall not alter any other requirements that must be met for a registrant or parent to receive a renewal of his or her hemp extract registration card once the State of Emergency declaration is lifted.
