

# Donor Information Sheet

## Organ and Tissue Donor Registry

The Missouri Organ and Tissue Donor Registry is a confidential and voluntary list of people who have chosen to be an organ, tissue and/or eye donor at the time of death. Registry participation is not required to be a donor. Three ways to register:

- [www.MissouriOrganDonor.com](http://www.MissouriOrganDonor.com) click "Sign Me Up Today!" and complete the online enrollment form.
- Register each time you visit your local drivers license office when renewing a driver/non-driver license (all types of endorsements).
- [https://health.mo.gov/living/organdonor/pdf/enrollment\\_application.pdf](https://health.mo.gov/living/organdonor/pdf/enrollment_application.pdf) and fill out the form. Print, sign, and mail or fax it to the address on the form, or call 888-497-4564.

## Living Donation

Provides you the opportunity to give someone a lifesaving organ transplant. You can donate a single kidney, lobe of a liver or lung to a recipient. For more information on living donation visit the United Network for Organ Sharing's Transplant Living website at <https://transplantliving.org/living-donation/> or contact the agency below.

## Advance Healthcare Directive

An advance directive allows you to communicate your healthcare preferences after you have lost the capacity to make or communicate your own decisions. Advance Directive is a general term used to describe both the Healthcare Directive and the Durable Power of Attorney for Healthcare Decisions. For more information about an advanced healthcare directive, contact the Missouri Attorney General's Office at 800-392-8222 or by e-mail at [consumer.help@ago.mo.gov](mailto:consumer.help@ago.mo.gov).

## Bone Marrow Donor Program

When you become a donor, you are participating in an effort to give patients with leukemia and other life-threatening blood diseases a second chance at life. For more information, contact:
