

Immunizations are essential to  
protecting your child's health.

# Protect your child right from the start.

Immunization is the single most important way parents can protect their children against serious diseases.

For their sake. For your sake.  
*Vaccinate!*

**Rx**

According to our records your child is due or past due for immunizations. These immunizations include:

- Chickenpox
- Dtap
- Flu
- Hep A
- Hep B
- Hib
- MMR
- Pneumococcal (PCV13)
- Polio
- Rotavirus

**DIRECTIONS:**

Please contact our office as soon as possible to get your child up-to-date. If your child received immunizations from another provider, please notify us so we can update your child's records.

*See you soon!*
