## ANNUAL PARTICIPANT ELIGIBILITY VERIFICATION

In order for participants to be eligible for the entire three years of certification, the distribution site must, on an annual basis, verify:

- 1. The address of the participant.
- 2. The continued interest of the participant.
- 3. There is sufficient reason to determine the participant still meets the income eligibility standards, which may include a determination that the participant has a fixed income.

Mark the corresponding numbered box below as each condition of eligibility is verified
