On Fridays, student will be given 2 breakfast and 2 lunch for Saturdays and Sundays. Meals will be handed out in the cafeteria from 12:-12:20pm and 2-2:20pm when students are completed with classes for the day. An admin will be doing meal count point of service as students pick up meals. For outside students, meals will be handed out in the school office. The reason for the two time frames is because we have credit recovery and credit advancement and they let out at two different times during the day.

Handing out meals on Thursday's from 1:15-2:15 for Saturday and Sunday.

The last day of school, Wednesday 6/25, is an early out with school releasing at 12:30, we will feed our students lunch and immediately start handing out bags for non-congregate meals at 11:20-1:30 for 6/26-6/29

We will post a weekly sign-up sheet for the following week of meal participation and we will post it to our district Facebook page. We will then take those numbers, pack meals for the days school is not in session, and set up a distribution time for meal pickup directly from our kitchen—basically, a setup like we did during COVID. These meals will be served to all children and teens (age 18 and under)
