

Advisory Committee on Maintaining Competitiveness

Monday, April 22, 2019

1:00 PM – 5:00 PM

James C. Kirkpatrick Office Building

Interpretive Center, Room 139

Advisory Committee Members Present

Maggie Kost, Department of Economic Development – State of Missouri Executive Branch Member

Joe Horner – Public Member

Kelly Dyer – Public Member

Department Staff Present

Lyndall Fraker, Section for Medical Marijuana Regulation, DHSS

Richard Moore, General Counsel, DHSS

Steve Doerhoff, Legal Counsel, DHSS

Lyndall Fraker, the Director of the Section for Medical Marijuana Regulation, Missouri Department of Health and Senior Services (“DHSS”) opened the meeting and introduced the committee members present.

Richard Moore, General Counsel, discussed maintaining competitiveness in the marijuana for medical use marketplace as the topic for the questions. Richard Moore reported that he will read the questions today and allow the committee to decide if the questions are appropriate or if the questions should be amended or deleted. Richard Moore reported that once a question has been determined to meet the requirements of the committee, the committee members will be asked to establish what they believe to be the importance level of the question. Richard Moore reported that a scale was provided to committee members to make that determination. The scale is as follows:

- 1 – Slightly Important
- 2 – Important
- 3 – Highly Important
- 4 – Critically Important

Question 93:

Describe how the facility will contribute to maintaining competitiveness in the marijuana for medical use marketplace.

Weight of question: **4 – Highly Important**

Committee consensus on question and on weight of question.

Question 94:

What advantages will your business have over potential competitors in the geographic area.

Richard Moore reported that the Department recommends deleting this question.

Committee consensus on deletion of question.

The Advisory Committee voted unanimously in favor of accepting the questions as amended.
The meeting was concluded.
