DIVISION OF CANNABIS REGULATION NOTICE OF RECALL

April 29, 2025

Topic: Notice of Mandatory Marijuana Product Recall

Issue: The Division of Cannabis Regulation (DCR) is issuing an alert to patients and consumers about a mandatory product recall. Pursuant to 19 CSR 100-1.100(4)(P), DCR may issue a public notice of recall where marijuana product presents a potential threat to health and safety.

No adverse reactions for this product have been reported to DCR at this time.

DCR is issuing a product recall on marijuana products sold to dispensary licensees by manufacturing licensee, Nodaway Holdings LLC, MAN000086. The recalled marijuana product design resembles non-marijuana products. In order to protect children and prohibit inadvertent consumption of marijuana products, Department rules prohibit marijuana products from resembling non-marijuana products.

Unused product(s) may be returned to the dispensary facility where purchased. Returned products will not count toward a patient's purchase limit. For more information on returns, please contact the dispensary facility where the product was purchased. For information on recalled items, please go to <https://health.mo.gov/safety/cannabis/recalls.php>.

Patients and consumers are reminded that any adverse reactions should be reported by emailing CannabisComplaints@health.mo.gov or filling out a complaint form located [here](#).
