

Missouri Department of Health and Senior Services
Section for Medical Marijuana Regulation

Medical Marijuana Facility Operational Deadline Variance Requests Completed vs. Remaining

Note: Each facility is required by rule to become operational within one year of their license issuance date; facilities that are unable to become operational within one year are required to submit a variance request to extend their operational deadline, which must be approved or denied by the Department.

NOTICE: As of March 3, 2023, the Division of Cannabis Regulation will no longer update this report.
