I. Review of Minutes			
A. Approval of Minutes	There was not a quorum present	Unable to approve minutes	May, 2017 minutes will be presented at the July 25, 2017 meeting for approval.
II. Subcommittee Reports			
A. Pediatrics Subcommittee Noreen Felich, Chair	The pediatric and trauma committee had a combined meeting this morning. Noreen Felich represented the pediatric committee. See the trauma committee report below.		
B. Trauma Subcommittee Dr. Doug Schuerer, Chair	Leann Johnson reported the trauma and pediatric committees met this morning. Discussed the trauma regs and concerns related to getting the regulations approved. Spent the majority of the meeting planning the upcoming December trauma coordinator/managers conference which precedes the Advances in Trauma conference. There will be a four hour trauma registry training program on December 5 th and a full day of conference of December 6 th . Advances in Trauma will follow.		
C. Legislative Subcommittee Mark Alexander, Chair	<p>Jason White reported the legislative committee met this morning.:</p> <ul style="list-style-type: none"> • The group discussed the pass/fail results of EMT and paramedic exams.. • They are requesting feedback and collaboration related to developing legislative priorities. • Request clarification on what the BEMS wants/needs from the SAC – Jason developed and distributed a survey. • Lot of discussion on data collection and issues; how to resolve the problem. Want to work with other stakeholders, including EMS, hospitals and TCD to resolve the data issues.. 		
D. Education Subcommittee Chuck Doss, Chair	<p>Chuck reported the committee did not meet in May, but has a conference call scheduled July 19th.</p> <p>Dr. Andrews asked if the committee would increase their focus on paramedic training related to drug overdoses, due to the huge increase being seen across the nation related to opioid overdoses. Also recommended the committee look at the EMS portion of TCD regulations.</p>

SUBCOMMITTEE REPORTS (Continued)			
E. Air Ambulance Committee, Ruby Mehrer Chair	<p>Ruby reported Committee met this morning and discussed issues with drones. There was an incident involving a fly over at a funeral and the helicopter had to compete with two drones. Going to work on information and recommendations for people who call in about drones. The committee wants to develop guidelines so consistent information is available to share about use of drones and how far they should be away from helicopters and landing sites.</p> <ul style="list-style-type: none"> • Talked about national legislation and separating transportation and charges. Not sure what the bill is trying to solve and what the impact will be. • Push with the FAA reauthorization bill to get control towers privatized. Air medical services, as an industry, is opposed. Feel a private organization should not oversee this as there is strong concern the air medical component will be overlooked • Discussed the the MEMSA Expo Pre Conference. There will be a pre session on extrication of EMS patients during an active shooter event. There will also be a pre session focusing on the emotional and psychological effects on the EMS caregivers involved in these types of events. 		
F. Emergency Management Wally Patrick, Chair	<p>Did not meet this month</p>

The boot camp is applicable to EMS medical directors, managers and providers Date: July 25th		
New Business and Announcements			
Old Business	Dr. Andrews announced the SAC is tentatively scheduled on Governor Grietens calendar for the September meeting. Dr. Andrews asked the group if any services are having difficulties due to the epinephrine shortage. Are any agencies finding they have to mix. Are any finding difficulty acquiring dextrose or atropine.	She encouraged all to be in attendance. No issues were identified at this time.	Confirmation will be a few days before the meeting.
New Business			
Informational Offering	Todd Ganovski for the Armed Forces Benefit Association presented information to the group on No-Cost Death Benefits for all First Responders. For the first time, there is a \$5,000.00, no cost "thank you" benefit available. Todd is seeking the help of the SAC to get this information to all First Responders in Missouri		
Next Meeting	The next meeting is Tuesday, July 25, 2017 at 6 p.m. in Branson, Missouri at the MEMSA Conference and Expo. Dr. Andrews urged all to think about areas we need to focus on in the different committees of the SAC. There will be no meeting in August as the SAC annually adjourns that month of the year.	An agenda will be sent prior to the next meeting.	
Adjourned	Meeting adjourned approximately 1:50 pm.
