TEAMS Meeting [Link to TEAMS Meeting](#)

April 22, 2025

10:00 AM

- I. Introductions – None
- II. Update from the State – no updates
- III. Pediatric Subcommittee Report – Starting a big push. New education is coming out – please share with your agencies. New assessment coming out in 2026. The group will be following up with facilities that did not respond in 2021 or had some opportunities to try to help. The new TPOP pulse has been completed for EMS to help them understand pediatric DNRs in the field. Working on a Narcan change for dispatch for injury prevention. Adding Narcan to dispatches. Working to get EMS agencies to use Narcan early because overdose is what is killing kids now. There was also a lot of discussion on prehospital blood use. They will be working on recommendations for blood use in children so EMS will have something to go off of.
- IV. Trauma Education
  - a. TraumaCon 2025 this week
  - b. TCAA conference is next week
  - c. Midwest Trauma Society Conference is June 11-12.
  - d. Trends in Trauma Conference – May 13-14, 2025
- V. Performance Improvement / Injury Prevention
  - a. Injury Prevention
    - i. Planning on Seatbelt checks in Nov
  - b. Performance Improvement
    - i. Discussed the opportunity of gathering data on multiple patient transfers for patients. After much discussion it was decided to gather data on transfer from original hospital and transferred and data on multiple transfers. Elizabeth Woodward from the State is going to see what data is available from the state. Tiffany said in the pediatric review of transfers they looked to see if life saving measures were done for the patient (airway, CPR, blood) and discuss with EMS that they are capable of doing those things to get the patient to the right place the first time. Pam will reach out to the state to see if data is available.
