

**CORE REQUIREMENTS FOR AEMT  
For Initial and Renewal Licenses issued after 30 April 2010**

Relicensing Emergency Medical Technician-Intermediate applicants must acquire 144 hours of Continuing Education every 5 years. This includes 72 hours of Core Requirements. Core requirements can be obtained by attending 2-36 hour EMT-Intermediate Refresher programs or attending Continuing Education programs.

<u>Division or Module</u>	<u>Mandatory Hours</u>
<b>Airway, Breathing</b>	<b>24</b>
<b>Trauma</b>	<b>10</b>
<b>Medical</b> (including cardiology and behavioral)	<b>12</b>
<b>Obstetrics and Pediatrics</b>	<b>24</b>
<b>Operations</b> Incident Command, rescue, HAZMAT, Ambulance ops etc	<b>2</b>
<b>Total</b>	<b>72 hours</b>

The remaining 72 hours must be in EMS related programs at or above the National Standard Curriculum for EMT-I. Current BLS certification is also required in addition to the 144 hours of continuing education.

*These Relicensure guidelines are for the State of Missouri only. If you are nationally registered or have questions concerning National Registry re-certification, call 614-888-4484. All questions can be directed to the Bureau of EMS at 573-751-6356*
