### Out of Hospital Do-Not-Resuscitate (OHDNR) Protocol

**Attending physician**

1. A physician licensed under Chapter 334, RSMo, selected by or assigned to a patient who has primary responsibility for treatment and care of the patient; or 2. If more than one physician shares responsibility for the treatment and care of a patient, one such physician who has been designated the attending physician by the patient or the patient’s representative shall serve as the attending physician.

**Cardiopulmonary resuscitation (CPR)**

Emergency medical treatment administered to a patient in the event of the patient’s cardiac or respiratory arrest, and shall include cardiac compression, endotracheal intubation and other advanced airway management, artificial ventilation, defibrillation, administration of cardiac resuscitation medications, and related procedures.

**Emergency medical services personnel**

Paid or volunteer firefighters, law enforcement officers, first responders, emergency medical technicians, or other emergency service personnel acting within the ordinary course and scope of their professions, but excluding physicians.

**Outside the hospital do-not-resuscitate identification**

A standardized identification card, bracelet, or necklace of a single color, form and design as set forth in 19 CSR 30-40.600 that signifies that the patient’s attending physician has issued an outside the hospital do-not-resuscitate order for the patient and has documented the grounds for the order in the patient’s medical file.

**Outside the hospital do-not-resuscitate order**

A written physician’s order signed by the patient and the attending physician, or the patient’s representative and the attending physician, which authorizes emergency medical services personnel to withhold or withdraw cardiopulmonary resuscitation from the patient in the event of cardiac or respiratory arrest.

**Patient**

A person eighteen years of age or older who is not incapacitated, as defined in section 475.010, RSMo, and who is otherwise competent to give informed consent to an outside the hospital do-not-resuscitate order at the time such order is issued, and who, with his or her attending physician, has executed an outside the hospital do-not-resuscitate order under sections 190.600 to 190.621, RSMo. A person who has a patient’s representative shall also be a patient for the purposes of sections 190.600 to 190.621, RSMo, if the person or the person’s patient’s representative has executed an outside the hospital do-not-resuscitate order under sections 190.600 to 190.621, RSMo.

**Patient’s representative**

1. An attorney in fact designated in a durable power of attorney for health care for a patient determined to be incapacitated under sections 404.800 to 404.872, RSMo; or 2. A guardian or limited guardian appointed under Chapter 475, RSMo, to have responsibility for an incapacitated patient.
