

State Advisory Council Trauma Subcommittee

TEAMS Meeting [Link to TEAMS Meeting](#)

July 23, 2024

10:00 AM

- I. Introductions – No new attendees
- II. Update from the State – Nicole reported there are a couple new tabs on the [MO TCD Portal](#). There are new reports added under TCD Data. The state just acquired new software to help create dashboards that they are learning. There is a pdf of the states poster presentation on ATV/UTV on the portal. There is a new tab with an interactive state map that is customizable with TCD centers and EMS. nicole.gamm@health.mo.gov
- III. Pediatric Subcommittee Report – Tiffany reported the SAC and TDAC pediatric subcommittees have been combined. They meet at the same time. Pediatric volumes have dropped this summer. For EMSC updates is the PPRC (the pediatric readiness survey for EMS agencies) is still open and due July 31st. They would like 100% participation. Currently, they are at 73% for the state. The areas that need some help is the Kansas City Region and the Southeast MO region. The list of agencies that haven't responded will be sent out and Tiffany asked if anyone from the committee that could reach out or give contacts to the committee. Nationally the response rate is closer to 35%. Please send Tiffany the contact names of the agencies that have not completed the survey. tiffany.taylor2@ssmhealth.com They have revamped their mission and vision statements for both SAC and TDAC pediatric subcommittees to switch focus to work on position statements and working to obtain EMS representatives from each region to be on the meeting. They are also hoping to get peds readiness worked into the regulations.
- IV. Trauma Education
 - a. Topics in Trauma conference from Saint Luke's Hospital (virtual) on August 7th.
 - b. Children's Mercy Hospital has a conference on September 5th.
 - c. Steven R Hall Trauma will be October 7-9 at Margaritaville Lake Resort.
 - d. Mercy in Springfield has the David Miller Trauma Symposium on October 24-25.
 - e. St. Louis Children's Hospital has the Fall 2024 Virtual pediatric Trauma Symposium on August 29th, Sept. 10th, and Sept. 25th.
 - f. SSM Health Cardinal Glennon Children's Hospital has the Pediatric Trauma Grand Rounds on August 9th.
 - g. Mosaic has their Topics in Trauma on August 26th.
- V. Performance Improvement / Injury Prevention
 - a. Pam said the PI initiative subgroup met on July 12th. Norrie reported that Peggy Huddleston from the state ran the requested reports around TXA and tourniquets used by the state. Norrie and Palak at CoxHealth analyzed the data. Norrie shared the data in a PPT. The data was broken out into regions and primary impressions. The group discussed taking this data and comparing the region scene times to our own hospital data and could be discussed to improve. It's an opportunity to open conversation with EMS. If there are questions about the data please reach
