10:00 AM

- I. Introductions – None
- II. Update from the State – no updates
- III. Pediatric Subcommittee Report – Tiffany reported in the St. Louis region there is an increase in pediatric auto vs ped, ATV accidents, drownings. KC region is seeing an increase in critically injured ATV crashes. Injury prevention is a big focus for the pediatric community. There is education being done coming from EMSC (Emergency Medical Services for Children). EMSC has also secured funding for Pedi-Mates for EMS agencies that are in need. Pedi-Mates are a form of restraints to secure them to a stretcher. There is a letter that will be sent out starting with the East Central region about treating unresponsive children with Narcan and will be sent to the other regions later. She said one of the agencies has extra pediatric equipment and if anyone knows of an agency that can use pediatric equipment then reach out to the pediatric subcommittee.
