

# State Advisory Council Trauma Subcommittee

TEAMS Meeting [Link to TEAMS Meeting](#)

June 25, 2024

10:00 AM

- I. Introductions – No new attendees
- II. Update from the State – Nicole reported that the TDAC Trauma subcommittee reviewed data from the survey that was sent out to all of the Trauma Centers in the state. The survey is looking at whether the state should require all ACS participation in the state. Nicole encouraged everyone to fill out the survey and to email her if you did not receive the survey. TDAC is tomorrow at 3 PM and the link is in the [MO TCD portal](#). Michelle Harbert shared a statewide map of TCD and EMS that she is working on that will be kept on the portal. It is an interactive map. Nicole said there are no delinquencies of trauma registry data and the department is up to date on their reporting. [nicole.gamm@health.mo.gov](mailto:nicole.gamm@health.mo.gov)
- III. Pediatric Subcommittee Report – Tiffany reported they did EMSC updates. The MEMSA conference is in early August and there are several pediatric topics scheduled. She said that across the state pediatric trauma is up. The state is seeing an increase in critical ATV accidents and penetrating injuries.
- IV. Trauma Education
  - a. University Health Truman has a trauma seminar on July 17<sup>th</sup>.
  - b. Children’s Mercy Hospital has a conference on September 5<sup>th</sup>.
  - c. Steven R Hall Trauma will be October 7-9 at Margaritaville Lake Resort.
  - d. Mercy in Springfield has the David Miller Trauma Symposium on October 24-25.
- V. Performance Improvement / Injury Prevention
  - a. Pam reported on the PI initiative subgroup that met. The next meeting is July 12, 2024 and will be reviewing some data that will be pulled from EMS data at the state. Items include: MOI (trauma), call received time, dispatch time, scene time, admin TXA time, time arrived at facility. Ran for both ground and EMS. They may look at the report by regions. Also, admin of TXA and blood products via air vs ground and possibly administration of TXA with tourniquet application air vs ground. Pam emailed Dr. Carney and Dr. Andrews to see if someone from EMS could join this meeting.
- VI. Around the Room
  - a. None
