Subcommittee Reports		
Pediatrics Subcommittee	Tiffany Taylor reported there was discussion about volume in ED's, also Pediatric Fentanyl OD.  Subcommittee has been interested in combining SAC and TCD state meetings and then report out at both SAC and TCD state meetings. Dr. Andrews said she had no objection.  Subcommittee suggests Stephanie Ashford as their Chair and Chris Magill as Vice Chair.  For info contact: tiffany.taylor2@ssmhealth.com Pediatric Subcommittee usually meets same day as SAC in midmorning.	
Trauma Subcommittee	Pam Jackson provided minutes:	
Dr. Dustin Neel, Chair	Introductions – Welcome to Reagan Wiser. She is new at the Division of Health and Senior Services as the Administrative Assistant to Nicole Gamm.  II. Update from the State – Nicole reported that the TDAC group is combining the March/April meetings and time to be determined. Reminded everyone how to go to the TCD portal you go to health.mo.gov under license/regulation. Click the little box on the bottom right that says Time Critical Diagnosis. You will see a box that says you are leaving the website. There is no need to log into that website to use any of the tabs. There are plans for an online application portal to be added. The pilot has started. She said it will be able to upload documents, etc. She said there will be an interactive map on the website. There is a nurse position open and hoping to be fully staffed by this summer. She has 3 more reports from the bag log that should be done this week. David said he is working with Peggy to get the TDAC information updated. Trauma registry has no outliers. Reminders that 4 <sup>th</sup> quarter data is due this week.	
	<ul> <li>III. Pediatric Subcommittee Report – Tiffany said they will be electing a new chair and co-chair. The meeting is later today.</li> <li>IV. Trauma Education         <ul> <li>a. 	Dr. Andrews asked if Kevin Tweedy could present in April. A representative from CMH should be invited as well.	
	In response to Dr. Andrews question about peds strike teams, Helen said some of the nurses that respond usually have	
	peds experience. It is always good to have more Peds people involved.	
	David Seastrom said CMH-KC will have their after action-report on the Chief's parade shooting event	
	ENA \$25,000 x 3 years for Critical Access Hospitals to have education on peds –so initial care is given properly before
