

Medical Marijuana Facility Minimum Standards Reviews Complete vs Remaining by Facility Type

Note 1: Delays in finalizing the Minimum Standard Compliance review could be due to the Department's need for documentation from facilities to complete the review.

Note 2: as of September 25, 2020, the total number of active licensed/certified facilities requiring a Minimum Standards Review is 371 - this figure is subject to change in the event additional certifications are awarded for transportation facilities, which are continuously open for application submission.
