

# Medical Marijuana

The Department of Health and Senior Services is tasked with implementing the provisions of Article XIV of the Missouri Constitution. This includes but is not limited to:

- Issuing identification cards to qualified patients and their primary caregivers after physician certification.
- Licensing and certification of medical marijuana cultivation, laboratory testing, transportation, and manufacturing facilities and dispensaries.

Missouri Department of  
Health and Senior Services

On Nov. 6, 2018, Missouri voters approved Article XIV to permit state-licensed physicians to recommend marijuana for medical purposes to patients with qualifying medical conditions.

## Medical Marijuana Timeline
